

Bone List

The Skull

Frontal	Supraorbital Fissure	Mastoid Process
Parietal	Infraorbital Fissure	Styloid Process
Occipital	Supraorbital Foramen	Coronoid Process
Temporal	Infraorbital Foramen	Condylar Process
Sphenoid	Jugular Foramen	Occipital Condyle
Zygomatic	Mental Foramen	Coronal Suture
Ethmoid	Optic Foramen	Squamosal Suture
Lacrimal	Foramen Magnum	Lambdoidal Suture
Nasal	Foramen Ovale	Sagittal Suture
Maxilla	Olfactory Foramina	Cribriform Plate
Palatine	Carotid canal	Sella Turcica
Vomer	External Auditory Meatus	Crista galli
Mandible	Sinuses	Nasal conchae
Ramus	Alveoli (sockets)	Fetal Fontanels

Pelvic Girdle

Ilium	Symphysis Pubis	Acetabulum
Pubis	Obturator Foramen	Ischium
Coxal (os coxal)	Sacrum	

Femur

Head	Greater Trochanter	Lesser Trochanter
	Lateral Epicondyle	Medial Epicondyle
	Lateral Condyle	Medial Condyle

Tibia

Lateral Condyle	Medial Malleolus	Anterior Crest
Medial Condyle	Tibial Tuberosity	Tibial Plateau

Fibula

Head	Lateral Malleolus	
------	-------------------	--

Foot

Tarsals:	▪ Cuboid	Metatarsals
▪ Calcaneus	▪ Navicular	Phalanges
▪ Talus	▪ Cuneiform	

Pectoral Girdle

Clavicle	Scapula	
----------	---------	--

Scapula

Acromion	Glenoid Cavity (fossa)	Spine of Scapula
Coracoid Process		

Humerus

Greater Tubercle	Lateral Epicondyle	Olecranon Fossa
Lesser Tubercle	Medial Epicondyle	Coronoid Fossa
Capitulum	Trochlea	

Radius

Head	Radial Tuberosity	Styloid Process
------	-------------------	-----------------

Ulna

Coronoid Process	Styloid Process	Trochlear Notch
Olecranon Process	Radial Notch	

Hand

Carpals:	▪ pisiform	▪ trapezium
▪ scaphoid	▪ hamate	Metacarpals
▪ lunate	▪ capitate	Phalanges
▪ triangular or triquetral	▪ trapezoid	

Sternum

Manubrium	Body	Xiphoid Process
-----------	------	-----------------

Ribs

True Ribs	False Ribs	Floating Ribs
-----------	------------	---------------

Vertebra (Types)

(Major Parts):

Cervical: ▪ Atlas	Transverse Foramen	Lamina
▪ Axis - (DENS) or	Vertebral Foramen	Pedicle
- Odontoid Process	Spinous Process	Sacrum
Thoracic	Transverse Process	Coccyx
Lumbar	Body (centrum)	

Hyoid, Patella
