### **ADMISSION REQUIREMENTS FOR SENIOR COLLEGE PROGRAM**

Graduates of the Associate of Arts in Human Services degree from LaGuardia Community College (LGCC) will qualify for admission into the CUNY School of Professional Studies Bachelor of Arts in Human Relations if they have maintained a minimum overall GPA of 2.5 and are in good standing at LGCC. Applicants will follow the standard admissions process, which includes completing a transfer application.

LGCC graduates will be awarded 60 transfer credits toward the bachelor's degree based on the current (fall 2016) Human Relations curriculum. Should that curriculum change, it will be necessary to reevaluate the transfer agreement. Upon matriculation into the B.A. program in Human Relations, students will be required to fulfill electives and major requirements specified on the following pages.

Total transfer credits granted toward the baccalaureate degree: 60.

Total additional credits required at the senior college to complete baccalaureate degree: 60.

**Total credits required for the B.A. degree in Human Relations: 120**

### **COURSE OUTLINE AND TRANSFER REQUIREMENTS**

This articulation agreement puts in a place a "2+2" arrangement between the programs identified above. Students who complete their A.A. degree at LGCC (referred to as a "two-year degree"), and then continue full-time in SPS's B.A. in Human Relations, can complete their B.A. in two years.

Procedures for reviewing, updating, modifying or terminating agreement:

- The Academic Director and Department Chair from both programs will review the agreement annually. They will be expected to review student retention, progress to graduation including transitions between prerequisite and follow-on courses, degree completion, and GPA. Modification or termination of this agreement requires the approval of both Chief Academic Officers of both institutions.
- Should the agreement be modified or terminated, CUNY SPS shall honor the terms granted to students who have already transferred into the B.A. in Human Relations.
- The CUNY Institutional Research Database will be used to track all transfer students, including their performance (credit accumulation and GPA) and persistence (retention and graduation).
- Both the CUNY School of Professional Studies and LaGuardia Community College value this agreement and see it as a "win" for our students. Both schools will promote the agreement in their respective publications (i.e. annual bulletins, course catalogs, Web sites, program marketing materials, etc.).

Effective date – Spring 2017
