Fall 2018 Session II

Dear Senior Citizen/Non-Degree Applicant:

Thank you for your interest in attending LaGuardia Community College. The Senior Citizen/Non-Degree application for admission must be completed and submitted to the Admissions Office **by December 6, 2018**.

New York State residents 60 years of age or older may audit undergraduate courses at LaGuardia Community College on a tuition-free, space-available basis. Auditors do not receive grades or academic credit for their courses. There is a $65.00 General Fee that will be charged at the time of registration each semester/session. Senior Citizens are also responsible for the $15.00 Consolidated Services Fee. Along with verification of age and New York State residency, applicants must file the undergraduate non-degree application to be considered for this program. Individuals over the age of 60, who do not wish to audit their courses, may receive academic credit provided the appropriate tuition is paid.

Fall 2018 Session II classes are scheduled to begin on **January 2, 2019**. Space is limited in many of our classes, since degree students register first. Consequently, our non-degree population receives the last registration appointment and registers for classes on a space available basis.

Please note that certain classes require satisfactory completion of the CUNY Assessment tests in Reading, Writing, and Mathematics before registration will be permitted. Non-degree students must satisfy all course prerequisites and co-requisites unless a waiver is received from the appropriate academic chairpersons.

Non-degree students who were born on or after January 1, 1957 are required to **submit proof of immunization**.

Sincerely yours,

LaVora E. Desvigne
