Important Facts
- Financial Aid Checks are disbursed in October/November for the Fall semester and April/May for the Spring semester. Financial Aid Checks are directly mailed to students. If you do not receive your check in the mail, you may contact the Office of the Bursar. Note: Direct Deposit or the CUNY Scholar Support Prepaid Card is also available at your request.
- A Bursar service indicator will be placed on your student account if you have an outstanding balance resulting from any unpaid financial aid, balance due to college, book voucher, bad check, emergency loans and/or TuitionPay payment plan delinquency.
- Please refer to the Drop/Withdrawal policy on our Bursar website: [http://www.laguardia.edu/bursar](http://www.laguardia.edu/bursar) and/or college catalog when dropping or withdrawing from classes. Note: There is a significant difference when dropping and/or withdrawing from a course as it may affect your registration bill.
- You can enroll in our TuitionPay payment plan for only $16.75 and 1/2 of your current semester tuition balance, if your financial aid is not appearing on your bill. Once it is determined that you are entitled to receive financial aid, your payment plan may be canceled at our discretion. If this results in a refund, it may be included in your financial aid check or a refund check may be generated and mailed to you.
