Student Advisement Degree Audit

How to Use What If

Step 1 – While logged into the Degree Audit area, click on What if
Step 2: Select appropriate **catalog year** from dropdown list, then selects a **major** and **concentration** consisting of that major (i.e. Business Administration). To change either major or concentration chosen, select from the **chosen areas of study** box & click the **Remove** button. Once you have completed these steps, click on **Process What if**.

Step 3: New Audit will be displayed with the selected major and concentration
