Created by ISMD's Dept. Training Team.

Step 2. The My Grades page display information about your grades

The screenshot shows a My Grades page for the course BTC200.5217.98279. The page displays two entries:

- Computing Trends Discussion Board** (Oct 31, 2013 11:21 AM): Grade 100.00/100. Includes links for [Comments](#) and [Description](#).
- Computing Trends** (Oct 29, 2013 8:39 AM): Grade 100.00/100. Includes links for [Comments](#) and [Description](#).

Step 3. Click on the Title

This image is a close-up of the 'Computing Trends Discussion Board' entry from the previous screenshot. A red arrow points to the title 'Computing Trends Discussion Board', which is highlighted with a red box. The date 'Oct 31, 2013 11:21 AM' is visible to the right of the title.

Step 4. The grade you receive for an assignment appears on the left side of the page.

The screenshot shows a forum interface. At the top, there are controls for 'Select: All None', 'Mark', 'Sort by: Date of Last Post', and 'Order: Descending'. The main content area displays a thread titled 'What are the Latest Trends that you feel are important' posted on October 31, 2013, at 9:15 AM. The author is Jermaine Pinckney. The post content reads: 'I agree with you, a trend is portability and also something that gets traction quickly. Some of the latest trends I find the most important are those associated with technology, specifically smartphones. For example, take one of Samsung's phones. A lot of people decide to buy it because of different reasons such as the size, the expandable storage, the aesthetics of the phone, and many other reasons and this catches on with other customers very quickly.' On the right side, a 'Grade' section shows '100.00/100' for the post dated 10/31/13 9:15 AM. Below the grade is a 'COMMENTS' section with a 'Feedback' comment dated 10/31/13 11:21 AM: 'Excellent Perception on the Matter - Keep up the Good Work!!'

Step 5. Feedback from your instructor.

This is a close-up screenshot of the feedback comment from the previous image. It shows the 'COMMENTS' section with a 'Feedback' comment dated 10/31/13 11:21 AM. The comment text is: 'Excellent Perception on the Matter - Keep up the Good Work!!'

Step 6. Your posts.

I agree with you, a trend is portability and also something that gets traction quickly. Some of the latest trends I find the most important are those associated with technology, specifically smartphones. For example, take one of Samsung's phones. A lot of people decide to buy it because of different reasons such as the size, the expandable storage, the aesthetics of the phone, and many other reasons and this catches on with other customers very quickly.

Step 7. Click **Ok** to go back to the My Grades Page. You have now completely how to View Discussion Board Grades.
