My Momentum

This progress bar indicates your overall momentum toward graduation; it is based on data as of 11/05/2018 and your major at that time.

G.P.A.

Amazing is your middle name! Your GPA is no easy feat. Take a moment to celebrate! Have questions about next steps? Student Advising Services, Transfer Services and CCPD are only a click away...

Priority Courses

Laying the foundation for success! Speak to your Advisor about which classes are critical for your major.

Credits Earned

You are on your way! Review DegreeWorks and meet with an Advisor to ask any questions you may have about your major, what to register for and what your next steps should be.

Basic Skills

Developmental skills requirements have been met!

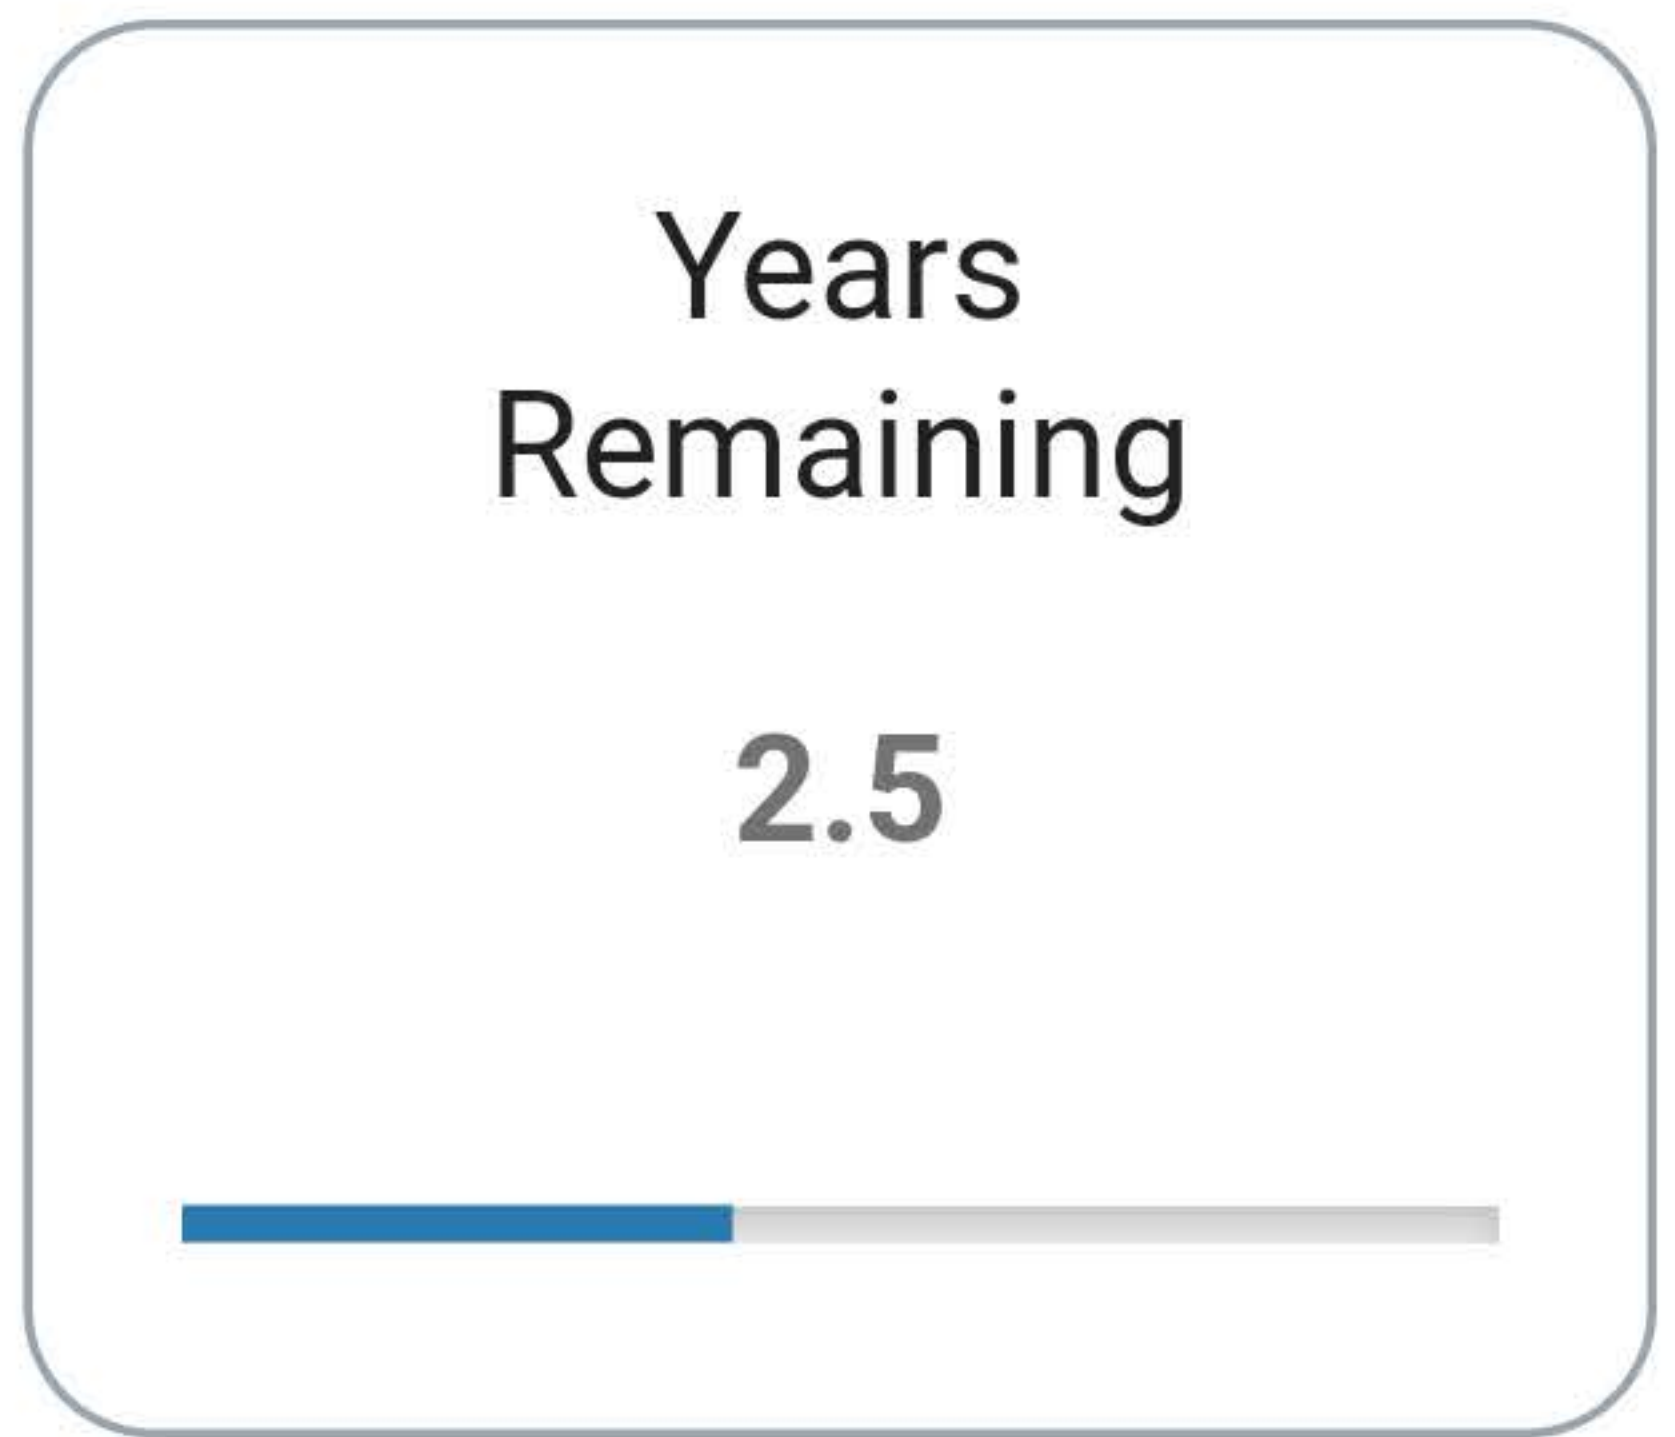

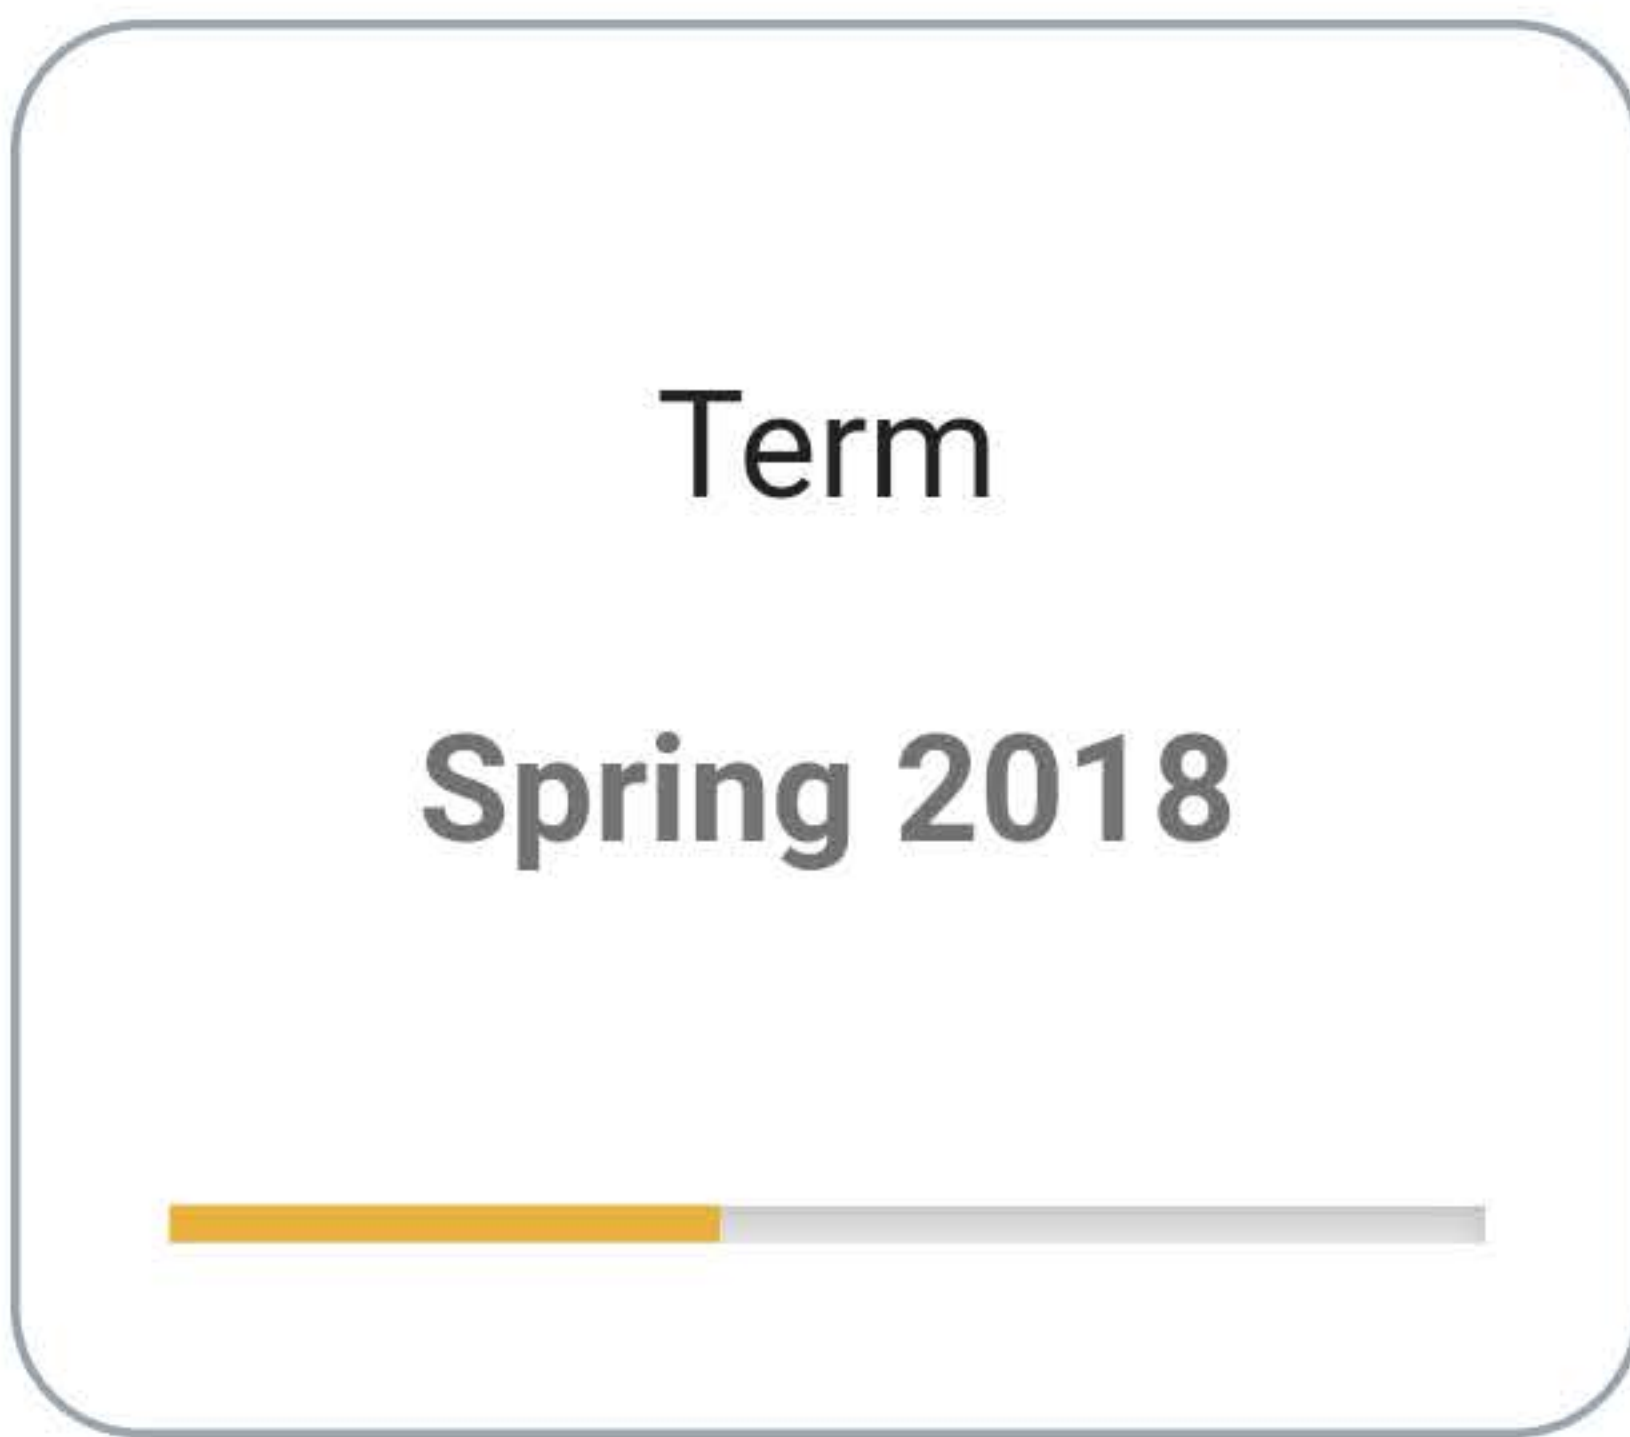

FINANCIAL AID

Federal Pell Grant funds are limited to a six years total per student over their lifetime.

As of the end of Spring '18, you have two and a half years left.

Contact [Student Financial Services](#) with questions.

Student Success Plan

Fall 2020

Dear Teresa,

Below is your Student Success Plan.

Review it carefully and do your best to complete any actions or referrals that were made. See the resources below that can assist you. If you still need help, reach out to your advisor or visit **Student Advising Services, B-102**.

Date: 10/31/2020

Completed by: **Danielle Jae Marcott**

Summary of meeting

Spoke about potential classes for Spring Semester, and discussed her concerns for the current semester. For the classes, I suggested she consider taking a course pair (PR01 or PR02) after she mentioned having difficulty making connections in her current classes. After she mentioned having difficulty in her current math classes, I referred her to the Math tutoring center.

We discussed

The following topics

- Strengths and concerns for current courses
- Select courses for next semester
- Priority Courses

Student Actions

Make sure you complete these actions

- Visit a Tutoring Lab
- Visit office hours/ speak to professor

Student Referrals

Make sure you go to these offices

- Math, Engineering & Computer Science Lab, MB-44
