Get Paid to Help Fellow Students: Become a Peer Advisor!

“As a Peer Advisor, I was here to help students and give them advice on their work to help them become more confident.”
- Areli Brito (ELA)

“As a peer advisor, I am happy that I am able to help students with their concerns about starting a new semester. Whether they come to me because of financial issues or advice on academic approaches, I feel good when someone leaves our department with a happy face and says, ‘Thank You!’”
– Hai Fei Xie (General Advisement)
