Getting Ready for the Fall Semester

Dear Students,

We hope that you are doing well.

The Fall semester is quickly approaching, and the faculty and staff at LaGuardia are preparing for most courses to be offered through distance learning; extremely limited classes and programs may be held on campus. As we consider bringing limited numbers of students, faculty and staff to campus, our paramount concern is, and will remain, the health and safety of all members of our community. Planning is underway to detail protocols and expectations for all persons who will need to be on campus.

CUNYfirst is being updated to reflect the mode of delivery for each individual class section. Check your course registration in early August for details.

- A letter about the fall from Chancellor Félix V. Matos Rodríguez can be found [online](#)
- Visit www.cuny.edu/coronavirus for the latest information from CUNY
- Check www.laguardia.edu for campus-specific updates. Remember, classes begin as of Saturday, September 12
- If you are interested in borrowing a laptop or tablet for the Fall semester, please contact the Student Information Center at LaGuardiaNews@lagcc.cuny.edu after you have completed Fall registration.

Be well,

Student Information Center
