2016 Student Senator Elections – Candidate Profile

Maisha Sultana

How did you become interested in running for College Senate?

At the first day of college, I was very much interested in extra curriculum activities. I want to be the representative of student to help . As a result, I got involved in Engineering club so that I can learn more about technology. I am Interested to join in College Senate so I can help students in various ways.I also like to join in social activity to help our community.

What are some basic principles that would guide your leadership as a member of the College Senate?

Honesty is the best policy as we all know; and this would be my first principal to guide leadership as a part of college senate. Then comes hard working which is very important for making improvement in college. without being punctual, I can not think about getting work done faster and keep all the work in track.

Why should a student vote for you to represent them?

I am hard worker and punctual in my activities. if i determine something I do not stop until I achieve my goal. I believe students should vote for me because I take all my work seriously. I am very passionate about helping people out in their need. Being part of college senate I will be able to help students. therefore, students should vote for me.
