## 2016 Student Senator Elections – Candidate Profile

### Amanda Walker

#### **How did you become interested in running for College Senate?**

I saw an advertisement on the LaGuardia website and decided to take a gander at it. I already know I have wonderful leadership qualities and being apart of the College Senate can help high light that quality.

#### **What are some basic principles that would guide your leadership as a member of the College Senate?**

A few basic principles that would guide my leadership as a member of the College Senate are to be fair, a non judgement zone and remaining relateable so other fellow students feel comfortable speaking to me.

#### **Why should a student vote for you to represent them?**

A student should vote for me to represent them on the College Senate because I embody an image that people can relate to and I would like to be a voice for a specific group of students that are desperate to be heard. I would like to represent the open minded/ awake group of students.
