

LaGuardia Community College

2016 Student Senator Elections – Candidate Profile

Luis Villa

How did you become interested in running for College Senate?

I became interested in running for College Senate for multiple reasons. I wish to be able to be an advocate for the student body and listen to what people want as an attending student. Getting into the student government is beneficial to me in getting proactive at LaGuardia Community College and to ensure positive results for everyone.

What are some basic principles that would guide your leadership as a member of the College Senate?

Some basic principles that would guide my leadership are being fair towards all attending students, ensuring progress within the Student Government as a member of the College Senate, and productivity with the student body. I also plan to serve my term without any mishaps and perform to the best of my abilities as a member of the College Senate.

Why should a student vote for you to represent them?

A student should vote for me due to the fact I have the best intentions possible and I truly want to actually make progress at LaGuardia to create a beneficial environment for all students. I plan to also listen to all that have concerns or wish to address anything to the rest of the student body. I also plan to be proactive and promote the student body in participating in events hosted by the Student Government Association.
