Understanding students' needs and making decisions which will be in the best interests of this college and its students.

Why should a student vote for you to represent them?

Students should vote for me because I will voice their opinions in the senate. I will work hard to make policy changes, which will help improve the academic and extracurricular life for students in the college. Specifically, I want to increase transparency concerning publicity for college events so that students are aware of the many opportunities which they can benefit from.
