### Mazen Zamzam

#### **How did you become interested in running for College Senate?**

I became interested in running for college senate due to my friends all encouraging me to do so. I was convinced by many of my colleagues and friends that I have the ability to speak specially speaking in front of the public.

#### **What are some basic principles that would guide your leadership as a member of the College Senate?**

My main principles are to be honest and loyal. That is how I was raised under the 2 concepts of honesty and loyalty, everything else comes.

#### **Why should a student vote for you to represent them?**

I am a very diplomatic person as well as I see myself according to the opinion of all my colleagues as an influential person with a strong personality and perfect behavior as well as that I understand that I am a hard worker and I can perfectly work under stress and that I know how to put strategies for solving problems as I had faced it many times in my life.
