LPN Bridge to Nursing Program

Supported Career Pathways for Adults Returning to School

Do you want to become a nurse but need help with your academic studies?

Are you juggling family and economic responsibilities?

Get your nursing certification and land a better paying job with help from LaGuardia Community College’s Licensed Practical Nurse (LPN) Bridge Program!

- Build background knowledge, basic academic skills, study habits and organizational skills, all centering around a health care curriculum.

- As part of a learning community, you will receive instruction and support services through the program’s clinical phase, culminating with the NCLEX nursing certification exam.

**Step 1**

Prep Program

Prepare for rigorous class studies, assignments and activities of nursing courses in this 8 week Prep Program. You will enroll in non-credit Medical Math (Mathematics of Medical Dosage) and Fundamentals of Human Biology, and receive support instruction in reading, writing and math.

You will be assessed on academic performance and attendance.

**Step 2**

Pre-Clinical Phase (for credit classes)

Participate in group activities, e-portfolio and writing assignments for the required courses of English, Natural Science and Math, Composition, Fundamentals of Human Biology, General Psychology, and Mathematics of Medical Dosage.

**Step 3**

Clinical Phase

Upon admittance to the competitive Clinical Phase, made up of two 12-week and two 6-week semesters, you will take the appropriate nursing courses, complemented by campus laboratory experience and clinical practice in area health facilities.
