GED Bridge to College and Careers Programs

Get your GED and go to college or start a new career!

Develop your reading, writing and math skills in preparation for the GED exam and college studies, while focusing on a career path with LaGuardia Community College’s Bridge to College and Careers Programs:

- **GED Bridge to Business Careers**
- **GED Bridge to Health Careers**
- **GED Bridge to Professional Careers**

*Career-Related Coursework*

Develop your academic skills through career-related class work, assignments and readings. Classes meet for nine hours a week.

*Career Pathways Counseling*

Discover your career options. Besides career-related coursework, a LaGuardia Workforce1 Career Center counselor will work with you one-on-one to complete a computer-based career interest and skills inventory. You will learn about high-growth industries, professional occupations, the connection between school and work, and college options.

*College Readiness Activities*

Get ready for college with activities such as conducting research and persuasive essay writing; creating course portfolios and e-portfolios; participating in LaGuardia’s Common Reading; visiting college classes during “College Student for A Day;” and attending financial aid and college knowledge workshops.

*Transition Support Services*

Continuous assistance is provided to GED Bridge Program graduates, as you progress to college or certification programs. This includes assistance with applying to college and/or certificate programs, financial aid guidance, educational case management, academic advisement and tutoring.
Program Requirements

- 19 years and older
- 7th grade reading level or above
- Specific career ambitions
