

# PROCEDURES FOR CUNY EMPLOYEE TUITION WAIVER

## PLEASE READ BEFORE COMPLETING THE TUITION WAIVER FORM (OFSR 305):

As part the "Economic Growth and Tax Relief Reconciliation Act of 2001 (EGTRRA)," which was signed into law on June 7, 2001, Section 127 of the Internal Revenue Code was extended permanently for both graduate and undergraduate courses, effective January 1, 2002. This benefit enables employers to assist workers to further their education at a cost of up to \$5,250 per year tax free, whether or not the course is job -related.

NOTE: CUNY eligible employees are hereby advised that undergraduate and graduate level courses in which they enroll in using the CUNY Employee Tuition Fee Waiver Form OFSR 305, may be reportable as wages and subject to withholdings if educational assistance benefits exceed the \$5,250 threshold, are non-job-related and do not meet the requirements of the working condition fringe benefit" exclusion. To meet the requirements of "working condition fringe benefit" exclusion the course must: 1) maintain or improve skills that an employee is required to have for employment; and 2) be expressly required by the employer, or is legally required in order to retain an established employment relationship, status or rate of compensation . Moreover, the course must: 1) not be for the purpose of satisfying the minimum educational requirements to qualify for employment; and/or 2) not to qualify the employee for a promotion or transfer to a new trade or business.
