SCO101 – Introduction to Occupational Therapy

Brief Summary of Lecture 1 – Low Stakes Writing Assignment

Imagine that a friend who lives far away has just learned that you are studying occupational therapy. In a letter, your friend asks, "What is that anyway? Do you help people get a job?" Write a quick note to your friend, answering his or her question, using the terms you learned in lecture one (for example, "occupation"). (5 minutes)

Dear _____,

Your friend,
