LaGuardia Community College
Green Jobs Training Program

The Green Jobs Training Program is your chance to get the skills you need to apply for a job in Green Cleaning & Waste Management or Building Operations & Maintenance.

Apply now for our next training in:

GREEN CLEANING & WASTE MANAGEMENT

Maintain a high indoor air quality and protect the health of building occupants through proper and environmentally sustainable cleaning practices.

Learn appropriate strategies for reduction of waste, safety and efficiency in handling and processing, source separation for material reclamation and recycling, and proper disposal.

Included in the training:
• OSHA 10-Hour General
• Hands-on Training in Green Cleaning
• Key Concepts of Sustainability
• Computer Skills
• Interview and Resume Prep

Requirements:
• Unemployed or underemployed
• 18 years old or older
• High school diploma or GED
• English proficiency

Join Us for an Information Session:
10am - 12 noon: June 23 & June 30, 2016
