	Additional Flexible Core Option	FC		3	I

Register in CUNY First for "Intent to Graduate" (GRD000) in your final semester

## DEGREE FULFILLMENT

The Human Services major leads to an Associate of Arts degree. It is recommended that you take both Pathways (RC & FC) and Program Core (PC) courses each semester.

Your initial English and Math courses are based on placement exams. Please see reverse side if you placed into developmental English or Math.

## INFO

### CREDITS & HOURS

Courses often meet for the same hours per week as academic credits awarded, but in some cases your classes meet for more hours, listed here when applicable.

### PRIORITY COURSES

Priority courses are designed to be taken at specific points in your studies and should be prioritized when scheduling your classes.

### SESSION I & II

Each semester has two parts, Session I (12-weeks) and Session II (6-weeks). It is recommended that you take 15 credits per semester for timely graduation. For questions regarding financial aid or tuition and fees, please visit Student Financial Services in C-107.

For students placing into a developmental English or Math course

1ST SEMESTER

**ENGLISH NEEDED**

#	Course	Fulfills	Priority	Credits	Session
HSF090	First Year Seminar for Health Sciences	PC	X	0 (2HRS)	I
ENA101 or ENC101	Composition I - Accelerated Composition I - Introduction to Writing	RC	X	3 (7HRS) 3 (4HRS)	I
MAT120	Elementary Statistics I	RC		3 (4HRS)	I
SSY101	General Psychology - Scientific World	FC	X	3	I
SCH160	Health and Wellness	PC	X	3	II
SSS100	Introduction to Sociology - Individual & Society	FC		3	II

**MATH NEEDED**

#	Course	Fulfills	Priority	Credits	Session
HSF090	First Year Seminar for Health Sciences	PC	X	0 (2HRS)	I
ENG101	English Composition I	RC	X	3 (4HRS)	I
MAT119	Statistics with Elementary Algebra	RC	X	3 (7HRS)	I
SSY101	General Psychology - Scientific World	FC	X	3	I
SCH160	Health and Wellness	PC	X	3	II
SSS100	Introduction to Sociology - Individual & Society	FC		3	II

**INFO**

**Co-requisite English**

If you need to take developmental English, and are eligible for ENA101 or ENC101, follow the 1st SEMESTER sequence shown on the left to satisfy developmental needs and the ENG101 Required Core, and then see other side for the second semester and beyond.

**Co-requisite Math**

If you need to take developmental Math, and are eligible for MAT117 (equivalent if MAT115) or MAT119 (equivalent of MAT120), follow the 1st SEMESTER sequence shown on the left to satisfy developmental math and the Mathematics Required Core, and then see other side for the second semester and beyond.

**REQUIRED SEQUENCING**

It is recommended to follow the sequencing as shown in the Degree Map as much as possible. However, some students may need to alter the plan a bit to fit their own schedule and needs. There are certain sequences of courses that must be followed, shown below.

The courses below are grouped together to show a particular order that must be followed. The course listed on the left of the arrow is a pre-requisite (must be taken before) for the courses that follow.

**COURSE OPTIONS**

**Health and Human Services Option (Pick Two)**

HSS208 Human Services and Disabilities; HSS218 Group Interviewing and Counseling; SCH150 Drugs, Society and Human Behavior; SCH210 Human Sexuality; SCN194 HIV/AIDS, Science and Society; SCN240 Food and Culture; SCD200 Introductory Nutrition

OR

**Health Navigation Option (Required Courses)**

BTO125 Medical Terminology; BTO170 Electronic Health Records
