CHEMISTRY LABORATORY FITNESS AND HEALTH CONSENT FORM

Course Precautions: As a participant in this course, you acknowledge that exposure to volatile, flammable, carcinogenic and corrosive chemicals are possible.

Students are required to stand for a period no less than three (3) hours to complete the laboratory experiment.

Pregnant students (or those planning to become pregnant) **MUST** inform their instructor prior to conducting the experiment and provide the signature of a medical physician granting permission to participate in the laboratory experiment.

Student Consent:

To whom it may concern,

“I, _____, have enrolled in Chemistry _____ at LaGuardia Community College. I recognize that the course may involve strenuous physical activity including standing for long periods of time, walking as well as exposure to potentially harmful chemical compounds.

I hereby affirm that I am in good physical condition and do not suffer from any known condition that will limit my participation in any or all laboratory experiments.

I _____, acknowledge that my enrollment and subsequent participation is purely voluntary and I will abide by the safety guidelines outlined by the LaGuardia Community College Natural Sciences Department and all other applicable safety and environmental compliance requirements.

I HEREBY AFFIRM THAT I READ AND FULLY UNDERSTAND THE ABOVE STATEMENTS.
