## PRO TIPS

### CREATE YOUR OWN CLUB

First, meet with the coordinator of Campus Life to discuss your purpose and plan for the club.

To bring your idea to life, you need at least 25 signatures and approval from Campus Life and the Student Government Association.

### BUILD YOUR RESUME

By getting involved around campus, you will meet people, build connections and discover new interests.

You can build your resume for job applications by partaking in community service, entering competitions and enrolling in honors classes.

### LEADERSHIP SKILLS

Build your resume, network, gain professional experience, learn interview skills, practice public speaking, and acquire the skills necessary to succeed in your academic and professional career.
