

STUDENT ADVISING TIPS SHEET

TAKE NOTES

Bring a pen and notebook with you so you can write down all of the important things you need to remember.

ASK QUESTIONS

Your Advisor knows a lot of valuable information about college. Ask about time management tools, tutoring options, department information, Session II classes and more!

OFFICE HOURS

Plan ahead, if your Advisor reminds you of important dates, make sure you put them in your calendar.

GRADUATION

Advisors will review your GPA, credits earned, and courses to help you track your momentum toward your degree.

STUDY GROUPS

Need help in a specific class? Your Advisor will discuss your options and connect you to a tutoring resource.

COURSE SELECTION

You and your Advisor will review Degree Works discuss courses for the upcoming semester and remove any advising holds.

Don't forget to ask about Session II classes!

STAY ON TRACK

Your Advisor can help you feel confident in your major and career path.

PRO TIPS: MAKE THE MOST OF YOUR TIME!

The best time to be advised is before registration, so make an appointment mid-October and mid-April.

It's best to arrive a few minutes before your scheduled for an appointment.

Do some online research! Take advantage of Degree Works so you're prepared for your appointment.

Depending on your status, you may be required to see an advisor.

Check My LaGuardia for your Advisor's contact information.

Appointments are available for many advisors, or you can reach out via email.
