The Science Study Center offers free one-on-one and group tutoring in Astronomy, Chemistry, Physics, Biology, Anatomy and Physiology.

At the Anatomy and Physiology Study Hall, you can learn from peer tutors, faculty members, anatomical models, videos and specimens. You can also take practice exams there.

Get help with English, accounting, math, reading and science courses through one-on-one tutoring, group tutoring sessions and study skill workshops.

The Math Lab can help you with any level of math. You can work on your homework, courses, and projects. You can choose to work alone or in small groups, asking tutors for assistance.

The Language Lab offers one-on-one and small group tutoring in each of the language classes offered at LaGuardia. Also, if you already speak a language other than English, you can take a placement exam there.

The Computing Center offers PC and MAC workstations. Group study rooms are also available to you for studying in groups with classmates.

THE WRITING CENTER
Room B-200
Writing Center tutors can help you get started on a research paper, teach you how to proofread, or explain and correct your graded essays.

THE MODERN LANGUAGE LAB & TUTORING CENTER
Room B-207
THE MATH LAB
Room MB-44
