FRESHMAN ENROLLMENT CHECKLIST

Now That I’m Admitted, What’s Next?

Heads up, your personalized VIP new student page is your direct connect to your enrollment information so check it regularly.

☐ Step 1: Confirm Your Enrollment

Are you in? Let us know that you plan to take classes in the upcoming semester. Head to the Confirmation section on your VIP page and check off ENROLL.

☐ Step 2: Submit Commitment Tuition Deposit

All undergraduate students are required to pay a non-refundable $100 Commitment Tuition Deposit to secure their enrollment. The deposit will be applied towards your first semester tuition charges and will allow you to schedule your orientation, placement tests and registration. You are strongly encouraged to send in your deposit as soon as possible, but no later than the date below.

For the Fall semester, the deposit must be received by May 1, the national deadline for accepting offers of admission and financial aid. If you are admitted after May 1, the deposit is due 15 days after the date you received your admission notification.

You may pay this fee by cash, check or money order at the Bursar’s Office located in the C-Building in room C-110, 29-10 Thomson Avenue, Long Island City, NY 11101.

☐ Step 3: Submit Required Documents

All freshmen must submit proof of immunization and demonstrate successful completion of a high school education with transcripts and a high school diploma and/or a GED. There are no exemptions from these requirements.

- Immunizations: Safety first. New York Public Health Law requires all students born on or after January 1, 1957 to present proof of immunity against Measles, Mumps and Rubella. You must present proof that you have had two doses of the Measles immunization and one each for Mumps and Rubella. Veterans DD214 will satisfy the Measles, Mumps and Rubella for one year. Vaccination against Meningococcal Meningitis disease is not mandatory, but you must sign a declaration form (Meningitis Response Form). This applies to all students, regardless of date of birth.

Students can call 311 to locate NYC Department of Health clinics that provide vaccines free of charge. Call LaGuardia’s Health Services Center at (718) 482-5280 for more information on immunizations and vaccines. Hand in or mail your immunization records to:

LaGuardia Community College Health Services Center
31-10 Thomson Avenue, room MB-40
Long Island City, NY 11101
Or fax them to: (718) 609-2016

- Final Transcripts and Diplomas: You must submit your final, official transcripts and your original high school diploma or GED to the Office of Admissions. High school seniors may be allowed to register prior to graduation, but it is important that you present a diploma before the start of classes to avoid cancellation of your courses. College Now participants and/or students who have taken college level courses must send an official transcript of those courses to the Office of Admissions so that an evaluation of transfer credit can be completed.

LaGuardia Community College, Office of Admissions
29-10 Thomson Avenue, room C-102
Long Island City, NY 11101 (718) 482-7206

To verify which required documents you have not yet submitted, view your missing documents letter on your VIP page.
Step 4: Take Your Placement Tests

Be on the lookout for a testing appointment letter in the mail. This is your next big step in the college enrollment process. All students need strong reading, writing and math skills to succeed in college, and assessment tests verify that you are prepared to transition into college-level coursework. It is important to take the placement tests as soon as possible. Rescheduling your testing appointment will delay your advisement and registration.

Prepare to do your best! Your test results determine the courses you will take. If your scores are not high enough for college-credit courses, you will need to strengthen your skills by taking developmental (remedial) course work. This could take one or two semesters, and can affect your financial aid.

Ability to Benefit from Testing (ATB): New York State law requires minimum test scores in reading, mathematics and sentence skills (writing) exams from all students who earned a high school diploma or its equivalent outside the U.S. and who plan to apply for financial aid through the Tuition Assistance Program (TAP). For additional information about the ATB test and whether you are required to take the test, please email the Testing Office at testing@lagcc.cuny.edu.

Exemptions: Some students are exempt from placement tests—meaning that you may not be required to take them—if you have done well on your SATs, ACTs and New York State Regents. If you hold a bachelor’s degree, you are exempt from skills testing. However, bachelor’s degree holders who have been educated in a language other than English will be required to test in reading and writing only.

Testing Results: Log into your LaGuardia VIP page after four business days to view your scores. Review the Placement area for reading and math results. Writing results take approximately 14 days to post. After all three test results are available, the College will send you an email and update your VIP page with information about your “New Student Advisement & Registration” session.

Visit the CUNY Testing website for practice materials at www2.cuny.edu/academics/testing/. Review the University’s Testing policies and procedures in the College’s online catalog at www.laguardia.edu/catalog.

Step 5: Apply for Financial Aid

LaGuardia helps you find ways to overcome financial barriers. We offer grants, scholarships, work-study, on/off campus jobs, tuition payment plans and information about loans to help you cover college costs.

• Federal Programs: Complete the Free Application for Federal Student Aid (FAFSA) form online at www.fafsa.ed.gov to apply for federal student aid, including programs such as Pell Grants, Supplemental Educational Opportunity Grants, Federal Work-Study, and Federal Perkins and Direct Loans—a low interest rate loan program. Use LaGuardia Community College School Code 010051. Stop by our Student Financial Services Resource Center, located in room C-109, for help filling out the FAFSA.

• New York State Programs: Apply for Tuition Assistance Program (TAP) and Aid for Part-Time Study (APTS) at www.hesc.ny.gov. When you complete the FAFSA online you may also link to the TAP application online. The LaGuardia School Code for TAP is 1403. When you apply for TAP, you will be considered for the following:
  - Tuition Assistance Program (TAP)
  - Aid for Part-Time Study (APTS)
  - Part-Time TAP (PTAP)
  - Child of Deceased Police Officer/Firefighter
  - College Discovery
  - Veterans Tuition Award
  - New York Army National Guard Federal Tuition Assistance
  - Regents Award for Children of Deceased or Disabled Veterans
  - Military Service Recognition Scholarship
  - NY State 4/03 Support for Military Families Programs

You should apply for financial aid as early as possible (application opens every October), to receive the most amount of money available. For more information, visit www.laguardia.edu/financial-aid/scholarships.

• Scholarships: The College offers numerous scholarships to students who are attending the College and have attained a high degree of academic excellence, have considerably served their community and/or have financial need.

Visit www.laguardia.edu/financial-aid/scholarships to read about and apply for:
  - LaGuardia Foundation Scholarships
  - Faculty Council Scholarships
  - Excelsior Scholarship: NY’s Tuition-Free Program.
  - Apply at https://www.hesc.ny.gov/excelsior/.

Don’t stop there. Research external scholarships at www2.cuny.edu/financial-aid/scholarships or by visiting the Student Financial Services Resources Center (room C-109).
Once you have confirmed your enrollment; submitted required documents; and your placement test results are available—you will receive an invitation via email and VIP page to attend an advisement and registration session. Here you will meet with an advisor to discuss your major and advise you on courses to take during your first semester and guide you through the registration process. This is a critical step in the enrollment process, so carefully follow the instructions you receive from your advisor.

Of the courses you will register for during your New Student Advisement and Registration session, be sure to include the following:

- **MY FIRST DAY (ADV_MFD)**
  My First Day is a half-day orientation program designed to welcome you to the LaGuardia community. You will have an opportunity to engage with LaGuardia staff, to receive important tips for college success and to learn about key campus resources. The program will include a student performance, peer discussions, a campus information fair, tour and refreshments.

- **FIRST YEAR SEMINAR**
  LaGuardia’s discipline-specific First Year Seminar (FYS) courses facilitate students’ productive transition to college, linking an introduction to the major with advisement and an orientation to college learning. Students explore key skills and concepts of their discipline and practice the habits of persistence, achievement, and self-efficacy needed for college success. Taught by discipline-based faculty and supported by advisement teams, the seminars utilize peer mentoring, co-curricular learning, and the connective power of ePortfolio to advance student achievement in the first college year and beyond.

- **First Year Institute (FYI):** Depending on the results of your placement tests, you may be offered the opportunity to take free pre-freshman courses in reading, writing, math or English as a Second Language before you begin your first semester at the College. Take these tests as soon as possible if you think you will need additional help in these areas.

- **Learning Communities:** As a new student at LaGuardia you are encouraged to join a learning community in your first-year, becoming part of a cluster of students whose classes are linked around a common academic theme. In these communities, students explore a subject through different disciplines, such as science, literature, history, philosophy, sociology, psychology and film. Learning community students share classes and study with the same small group of faculty, forming bonds that often last throughout their LaGuardia experiences and beyond. Students who join a learning community in their first year succeed at a higher rate than students who do not. For more information on learning communities, visit [www.laguardia.edu/clusters/](http://www.laguardia.edu/clusters/).

If you qualify for an FYI course, you will be mailed information about the program after we receive your test results.
• **College Discovery (CD):** College Discovery is a CUNY program for students who need academic and financial support in order to succeed in community college. This program provides concentrated and specialized counseling, supplemental instruction, tutorial services and a financial aid stipend. All CD students are required to participate in the College’s First Year Institute. For more information, contact College Discovery - room B-235, call (718) 482-5270, or visit [www.laguardia.edu/cd/](http://www.laguardia.edu/cd/).

• **CUNY EDGE**, formerly known as the COPE Program, has expanded its student services to provide new benefits and support. CUNY EDGE’s mission is to help CUNY students achieve academic excellence, graduate on time, and find employment.

  CUNY EDGE provides academic, personal and career planning support; encourages full-time enrollment in courses each semester and enrollment in intersession classes, as needed, so that students complete their degree in a timely manner.

  Tools and procedures are incorporated to help students remain compliant with all HRA rules and regulations. HRA school letters are completed at least once a semester during the academic year.

  CUNY EDGE is a partnership between the New York City Human Resources Administration (HRA) and the University. In order to qualify for CUNY EDGE, you must be a matriculated CUNY undergraduate student who receives cash assistance from HRA. Contact the CUNY EDGE office in room MB-13 or by calling (718) 482-5479.

• **Veterans Services:** The Veteran Services staff provides a full range of services that include Admissions, Financial Services and Academic Advising. Call 718-730-7590 for support, guidance and referrals.

• **Center for Career & Professional Development (room B-114):** The Center for Career & Professional Development (CCPD) offers a variety of career-related and job readiness services designed to prepare students and alumni to set career goals and become competitive and successful job seekers.

  CCPD can assist you in polishing your resume, interviewing techniques and professional branding. In addition, you can use their online job resource, Career Connect, to search and secure internships and part-time and full-time employment opportunities. CCPD also hosts a variety of on-campus recruitment opportunities such as industry fairs and panels. See the Events<Workshop section in Career Connect for upcoming dates.

  **Getting started on Career Connect:**
  - Username: FIRSTNAME.LASTNAME
  - Password: Eight digits of your CUNY ID and last two digits of your birth year
  - Click on Career Connect icon under e-Tools
  - Complete your Academic Profile

  You can access all of the College's career and professional development online tools at [www.laguardia.edu/careerservices](http://www.laguardia.edu/careerservices).
• **Students with Disabilities:**
All persons with disabilities have the right to pursue their educational goals. The Office for Students with Disabilities can assist with advisement and registration; offer academic, career and personal counseling; and provide reasonable accommodations and supplemental services. The office provides Assistive Technology, tutors, note takers and testing accommodations to help you succeed in your educational goals. Participation is voluntary, however you must provide documentation of your disability to be eligible. All information is kept confidential. Our office is located in Shenker Hall, room M-102. For more information, contact the Office for Students with Disabilities--room M-102, call (718) 482-5279, visit www.laguardia.edu/osd/.

• **Office of Transfer Services:**
We know you’re just arriving, but it’s never too early to start thinking about your options after you graduate from LaGuardia. If your plans include completing a bachelor’s degree or graduate school, we can help you search for the right school, plan your courses for a successful graduation and transfer, complete the application process to any college, and navigate scholarships and financial aid questions for the next stop. We can help you search for the right school for you, plan your courses for both graduation here and successful transfer, complete the application process to any college, and navigate scholarships and financial aid questions for the next stop.

For more information, contact the Office of Transfer Services--room B-215, call (718) 482-5185, email transfer@lagcc.cuny.edu, or visit www.laguardia.edu/Student-Services/Transfer-Services/Home.
Step 7: Pay Your Tuition

After registering for classes, view your semester charges, including tuition payment due dates via your CUNYfirst account. If you have a balance due on your account, you may pay it online or at the Bursar's window located in room C-110. Please be sure to keep your mailing information up-to-date, so that you can receive pertinent information from LaGuardia about your registration records.

Don’t let finances get between you and your education. If you have any questions regarding your tuition bill, please contact the Office of the Bursar, room C-110, at (718) 482-7226 or email us at bursar@lagcc.cuny.edu. Learn more at www.laguardia.edu/bursars.

Step 8: Unlock your My LaGuardia Page and Student Email

Approximately 10 days after registering for classes, you will receive an email with login information to access your personalized My LaGuardia student page and LIVE student email account. Your My LaGuardia page and LIVE @ LaGuardia student email account is the main communication resource that you will have throughout your time at LaGuardia and using both is vital to your success.

You will not receive many notices from the College via traditional mail, so make sure to log in regularly to stay in the know on your academic status, info from your professors and your advising team, financial aid status, job and internship opportunities, emergency alerts, campus events student discounts and more. You will also receive a weekly email from the Student Information Center (SIC) summarizing current information that impacts your daily college experience.

You can access your My LaGuardia page and student email account at https://my.laguardia.edu.

Change of Program Fee……………………………… $  18.00
Commitment Deposit…………………………………… $ 100.00

All tuition and fee charges listed are subject to change by action of the University’s Board of Trustees without prior notice. In the event of any increase in tuition or fees, payments already made to the College will be treated as partial payments and notification will be given of the additional amount due, the due date and the method for payment. All tuition and fee charges are payable by cash, check or money order.
Payment Options: Avoid long lines; pay your bill on time! Failure to settle your bill before the established due date may result in cancellation of your registration. Visit the Bursar’s website for more payment information: www.laguardia.edu/bursars.

1. Cash Payments are accepted only at the Bursar’s Window, located in room C-110.

2. Check or Money Order Payments are to be made payable to LaGuardia Community College. Payments are accepted at the Bursars Window, or can be mailed to:

   LaGuardia Community College
   Office of the Bursar
   29-10 Thomson Avenue, room C-110
   Long Island City, NY 11101

You may also place your check or money order in the “Quick Drop Box” located next to the Bursar window. Postage-paid envelopes are also available for your convenience.

3. For Web payments, go to https://home.cunyfirst.cuny.edu and access your CUNYfirst account. We only accept e-Checks and there is no service fee.

4. If you qualify for an estimated financial aid award or scholarship, this amount may be applied to all or part of your tuition and fees bill.

5. You may enroll in Nelnet, an interest-free monthly payment plan. For more information, please contact Nelnet at 1-888-470-6014, or visit www.mycollegepaymentplan.com/cuny.

   Note: The earlier you enroll in the payment plan, the lower your monthly payments since the total amount will be divided over more scheduled payments. Your semester classes will be also be protected. Nelnet accepts Visa, MasterCard, Discover and Amex. You may also pay with your checking or savings account online.

The Bursar Self-Service Center located in room C-111 will also be available for students to sign up for a tuition payment plan. Bursar staff members will be readily available to assist you.

6. To use a Third-Party Payment through your Employer or Sponsor, obtain a voucher or letter from them and present it to the Bursar. This method of payment is acceptable only when the College is authorized to bill an employer or sponsor directly.

   Note: Employee reimbursement plans are not considered third-party
Remember, we are here to support you from start to finish.
