### PURPOSE

LaGuardia Community College and School of Labor and Urban Studies hereby enter into this agreement to facilitate the transfer of students from LaGuardia Community College's Associate of Arts Degree in Liberal Arts Social Science and Humanities to SLU's Bachelor of Arts Degree in Labor and Community Studies.

Sections A, B and C of this agreement specify the conditions and requirements for admittance to SLU's Labor and Community Studies BA. Sections D and E are listed as appendices and contain the course-to-course equivalencies between the Liberal Arts Social Science and Humanities program at LaGuardia Community College, CUNY and the School of Labor and Urban Studies, CUNY Urban and Community Studies BA.

SLU agrees to accept into the Bachelor of Arts degree program in Urban and Community Studies, students from LaGuardia Community College who successfully complete the Liberal Arts Social Science and Humanities curriculum and degree requirements described in sections A, B, and C of this agreement; thereby receiving an Associate of Arts degree.

LaGuardia Community College agrees to enroll Liberal Arts Social Science and Humanities program students in the Urban Academy cohort so they may receive information about the Urban Academy and participate if they choose to do so.

The Urban Academy is a collaboration between the CUNY School of Labor and Urban Studies and LAGCC. The Academy's goals are:

- Produce graduates who are advocates, organizers, policy makers and service providers for diverse urban populations
- Prepare students to compete for job opportunities in public, non-profit, and private agencies as well as community organizations and unions
- Give students sound preparation for graduate study in a range of urban-related, inquiry-based disciplines
- Foster social justice and humanistic values and critical-thinking skills

During their community and senior college experience, Urban Academy students will be connected to the limitless learning and professional opportunities available in one of the most dynamic urban centers in the world. The Urban Academy links students with distinguished faculty at the cutting edge of the complex

research and issues underlying today's cities. The Academy exposes students to experiential learning through unique union partnerships, community organizations, and government agencies. Additionally, students will be able to partake in SLU's nationally recognized public programming. Urban Academy students receive dual acceptance to their community college urban studies major for their associate's degree and then are seamlessly transitioned into SLU for their Urban and Community Studies bachelor's degree

#### **A. ADMISSION REQUIREMENTS FOR SENIOR COLLEGE PROGRAM**

(e.g., minimum GPA, audition/portfolio, other additional requirements specific to the degree)

- Admissions to the Urban Academy requires 2.0
- Grade of C or better in any major course to be accepted for transfer.
- SLU will accept transfer credit only, not course grades. SLU will routinely accept 60 semester credits towards the Bachelor of Arts degree in Urban and Community Studies. Additional transfer credits will be evaluated on an individual basis.
- Students eligible for transfer to SLU under this agreement must have met at least the minimum requirements for admission to LAGCC, including a US high school diploma or its equivalent.

Total transfer credits toward the baccalaureate degree: Minimum of 60.

Total additional credits required at the senior college to complete baccalaureate degree: 60.

#### **B. ARTICULATION AGREEMENT FOLLOW-UP PROCEDURES**

##### **Procedures for Reviewing, Updating, Modifying or Terminating Agreement:**

- **Changes:** Neither party may change this agreement unilaterally. Proposed changes in policies and curricula (i.e. admission, curriculum, and degree requirements, course numbers, course content, and/or catalog descriptions by either party), must be communicated in writing to the other party, and jointly agreed upon in consultation with the relevant officials of each institution. Any changes agreed upon must be signed, dated, and attached to this original agreement. *It is highly recommended that the department chairs of the respective programs jointly complete sections A, B, and C of this agreement at least every two years.*
- At the end of each academic year, the various representatives of each institution, as indicated above, will review the performance of transfer students to determine if adjustment to, or termination of the articulation agreement, is needed.
- **Notice of Cancellation:** Either party may independently cancel this agreement by notifying the other party no less than one academic year before the intended date of cancellation.

#### **C. ADDITIONAL INFORMATION**

- I. This articulation agreement will be publicized on both the LaGuardia Community College and SLU websites. Transfer advisers at LAGCC will promote this agreement with eligible students.
- II. Both institutions agree to monitor the academic performance of LAGCC students who wish to matriculate at SLU under this agreement, identify problems, and work cooperatively to ensure smooth transfer with minimal academic disruption.

III. LaGuardia Community College students who plan to transfer into the Bachelor of Arts degree in Urban and Community Studies at the School of Labor and Urban Studies are advised to strictly follow the Program Requirements and Program Electives listed in the proposal to satisfy the requirements for the Associates degree in Arts at LAGCC and to ensure that the maximum number of credits and required coursework are transferred to satisfy the Labor and Community Studies program requirements at SLU. Refer to both college websites for a list of CUNY Pathways general education requirements for both the AA and BA programs.
