TRANSFER ENROLLMENT CHECKLIST

Now That I’m Admitted, What’s Next?

Heads up, your personalized VIP new student page is your direct connection to your enrollment information so check it regularly.

☐ Step 1: Understand the Transfer Evaluation Process

We’ll help you understand the transfer process and how to keep the valuable credits you’ve already earned. The Transfer Evaluation Process determines how many of the credits that you have earned at other accredited institutions, either in the U.S. or in another country, are eligible for transfer toward your degree or certificate at LaGuardia. The maximum number of credits granted toward a degree is 30 and toward a certificate is 10 and up to 50% of the credits required for the certificate being sought. This evaluation is only for your LaGuardia degree or certificate, and may vary from how future institutions will evaluate your credits from any prior transcripts.

The Transfer Services’ credit evaluators will review your credits from previous colleges, College Now courses, Joint Services Transcript (JST) evaluations and College Level Examination Program (CLEP), military and advanced placement programs. Contact us by email at creditevaluation@lagcc.cuny.edu

• Transfer Evaluation Results: Once official transcripts are received, a transfer credit evaluation will be posted on your VIP page. In most cases, the evaluation will also be available at registration. For most courses to be transferred a grade of C or better must have been earned, or if the course was taken at another CUNY college, a grade of D or better must have been earned. By CUNY policy, courses passed for credit at any CUNY college are required to transfer for credit at any other CUNY college. Courses with a grade below C may transfer as elective credit depending on specific course or program requirements.

• Selective Transfer Credit Policy: All eligible courses will be evaluated as transfer credit. Up to 30 transfer credits may apply to the student’s major. Students who have transferable credits in excess of 30 credits may exchange unused courses not currently being counted towards their degree for used credits, as they apply to their degree audit and graduation requirements. Students may not choose to deselect transferable courses that can be applied to their degree program without a transferable course to substitute. Effective May 30, 2018, this policy will apply to students applying for admission to the College for Spring 2019 and beyond.

• Transfer and the First Year Seminar: The First Year Seminar (FYS) is a discipline-specific course designed to support freshmen and transfer students in their transition to LaGuardia. Taught by faculty in Natural Sciences, Business and Technology, Liberal Arts: Social Science & Humanities, Health Sciences, Liberal Arts: Math & Science, Engineering & Computer Science, Psychology, and Criminal Justice, students are introduced to key concepts in their major, learn skills essential to academic success, receive advising support, and learn how to tap into the College’s many resources and co-curricular opportunities. FYS students receive additional support in an attached studio hour, where they learn about the digital tools that LaGuardia offers to facilitate educational and career planning. Students at LaGuardia must successfully complete the First Year Seminar to graduate. Transfer credit will not be awarded for another school’s orientation or similar course. If you have any questions about your transfer credit evaluation, please email us at creditevaluation@lagcc.cuny.edu or call (718) 482-6103.

• Transfer Credits in English: Transfer credits may be awarded for college-level English courses taken at post-secondary institutions in the U.S. and English-speaking countries if you earned a grade of C or better, even if you did not pass the writing portion of the CUNY Assessment Test (CAT). These students will not be required to register for developmental writing courses. If the writing CAT has been passed, a grade of D or better will be accepted for a college-level English course taken at another CUNY college.

If the writing CAT has not been passed, a grade of D or better will only be accepted for a college-level English course taken at another CUNY college after the student completes developmental writing courses. English credits are not awarded for college-level English courses taken at post-secondary institutions in countries where English is not the primary language, unless the primary language of instruction is in English.

• Transfer Credits in Foreign Languages: Students who have taken a foreign language course at another institution without the second course in that sequence must complete that second course before transfer credits will be awarded. Students who are transferring in who wish to use a single language course toward Pathways may receive credit but will not meet foreign language requirements for majors that require language courses.
Transfer Credits in Health Education and Science:
Transfer credit may be granted for coursework in health education and science taken at other institutions of higher education. The Natural Sciences and Health Sciences Departments are responsible for approving transfer credits in science and health education, respectively. Transfer credits for clinical phase courses in Nursing, Practical Nursing, Occupational Therapy Assistant, Physical Therapy Assistant, Radiologic Technology, Veterinary Technology, and Paramedics courses will not be awarded. Students who transfer science credit for sequential courses must transfer both parts to receive the science credit. This applies to the following science courses:

- SCB201/SCB202 – Biology I & II
- SCB203/SCB204 – Human Anatomy & Physiology I & II
- SCC201/SCC202 – Chemistry I & II
- SCP231/232 – General Physics I & II

Transfer credits for clinical programs (Nursing, Occupational Therapy Assistant, Physical Therapist Assistant, Veterinary Technology, Radiologic Technology, and LPN clinical phase courses) will not be awarded. Anatomy courses required for clinical programs (SCB 203, SCB 204) will be accepted for only 7 (seven) years from their completion date. Microbiology and Chemistry courses (SCB 260, SCC 110) will only be accepted up to ten years past their completion date. Any student who enters the Undeclared Health or LPN majors will be subject to these science course requirements. These departments follow the general transfer policies in all other ways. Due to external accreditation requirements, program modification may occur and are reflected on the website and in the handbook.

Note: While no grades transfer toward a LaGuardia GPA from prior institutions, it is important to note that Allied Health programs will evaluate grades awarded at prior institutions as part of the clinical admission process, per their program handbooks.

Transfer Credits in Math: Transfer credit will be awarded for college level, credit-bearing mathematics courses as appropriate to the degree being sought. Students who have completed a college-level math course are not required to take the CUNY skills assessment test.

Transfer Credits in Remediation: Transfer credit will not be granted for any remedial, developmental-level, or ESL courses previously taken at another college. Students who are transferring into LaGuardia who have placed out of the remedial level or who otherwise would have been allowed to begin non-remedial coursework at their previous CUNY institution, whether by placement at admission, by CUNY skills assessment results, or by successful completion of a college-level mathematics and/or a college-level English composition course, are exempt from the relevant skills assessment. Students who have not previously placed out of that level are required to take the skills assessment. See the Test Policy section to determine if you meet any of the requirements for exemption.

Transfer Credits in Non-Collegiate Education:
For information on transfer credit for the College Board, Advanced Placement College Level Examination Program and further detail information on Transfer Policies please refer to the College’s online catalog: https://www.laguardia.edu/Academics/Catalog/

Waiver of Courses or Degree Requirements: Courses or degree requirements may be waived in such cases that the department chair and/or designee determine that the student has met the intention of a requirement through other means. This does not count for credit toward the degree, so the student must make up the credits waived through either additional coursework or transfer credit.

Exemption Credit
Exemption credit from any credit-bearing course offered at LaGuardia may be granted on the basis of an examination or a project equivalent to the final requirement of the course. Equivalencies are determined by the faculty of the appropriate academic department and must be approved by the chairperson. Exemption credit may not include credit for prior coursework, which falls under transfer credit. Exemption credit must be earned at LaGuardia, either through examination, project, or portfolio review.

The maximum number of exemption credits that can be counted towards LaGuardia’s 30-credit residency requirement for a degree is 10. A maximum of 6 exemption credits may be applied toward the residency requirement for a certificate.

Note: Exemption credits are only awarded to degree students.

☐ Step 2: Accept our Offer of Admission
Are you in? Let us know that you plan to take classes in the upcoming semester. Log into CUNYfirst to accept our offer.

☐ Step 3: Submit Commitment Tuition Deposit

All undergraduate students are required to pay a non-refundable $100 Commitment Tuition Deposit to secure their enrollment. The deposit will be applied towards your first semester tuition charges and will allow you to schedule your orientation, placement tests and registration. You are strongly encouraged to send in your deposit as soon as possible, but not later than the date below. For the Fall semester, the deposit must be received by May 1, the national deadline for accepting offers of admission and financial aid. If you are admitted after May 1, the deposit is due 15 days after the date you received your admission notification.

You may pay this fee by cash, check or money order at the Bursar’s Office located in the C-Building in room C-110, 29-10 Thomson Avenue, Long Island City, NY 11101.
Step 4: Submit Required Documents

All freshmen must submit proof of immunization and demonstrate successful completion of a high school education with transcripts and a high school diploma and/or a GED. There are no exemptions from these requirements.

- **Immunizations**: Safety first. New York Public Health Law requires all students born on or after January 1, 1957 to present proof of immunity against Measles, Mumps and Rubella. You must present proof that you have had two doses of the Measles immunization and one each for Mumps and Rubella. Veterans DD214 will satisfy the Measles, Mumps and Rubella for one year.

  Vaccination against Meningococcal Meningitis disease is not mandatory, but you must sign a declaration form (Meningitis Response Form). This applies to all students, regardless of date of birth.

  Students can call 311 to locate NYC Department of Health clinics that provide vaccines free of charge. Call LaGuardia’s Health Services Center at (718) 482-5280 for more information on immunizations and vaccines. Hand in or mail your immunization records to:

  LaGuardia Community College
  Health Services Center
  31-10 Thomson Avenue, room MB-40
  Long Island City, NY 11101
  Or fax them to: (718) 609-2016

- **Final Transcripts and Diplomas**: You must submit your final, official transcripts and your original high school diploma or GED to the Office of Admissions. High school seniors may be allowed to register prior to graduation, but it is important that you present a diploma before the start of classes to avoid cancellation of your courses. College Now participants and/or students who have taken college level courses must send an official transcript of those courses to the Office of Admissions so that an evaluation of transfer credit can be completed.

  LaGuardia Community College, Office of Admissions
  29-10 Thomson Avenue, room C-102
  Long Island City, NY 11101
  (718) 482-7206

To verify which required documents you have not yet submitted, view your missing documents letter on your VIP page.

Step 5: Take Your Placement Tests

Once you accept our offer of admission, be on the lookout for a testing appointment email. This is your next big step in the college enrollment process. All students need strong reading, writing and math skills to succeed in college, and assessment tests verify that you are prepared to transition into college-level coursework. It is important to take the placement tests as soon as possible. Rescheduling your testing appointment will delay your advisement and registration.

Prepare to do your best! Your test results determine the courses you will take. If your scores are not high enough for college-credit courses, you will need to strengthen your skills by taking developmental (remedial) course work. This could take one or two semesters, and can affect your financial aid.

Ability to Benefit from Testing (ATB): New York State law requires minimum test scores in reading, mathematics and sentence skills (writing) exams from all students who earned a high school diploma or its equivalent outside the U.S. and who plan to apply for financial aid through the Tuition Assistance Program (TAP). For additional information about the ATB test and whether you are required to take the test, please email the Testing Office at testing@lagcc.cuny.edu.

Exemptions: Some students are exempt from placement tests—meaning that you may not be required to take them—if you have done well on your SATs, ACTs and New York State Regents. If you hold a bachelor's degree, you are exempt from skills testing. However, bachelor's degree holders who have been educated in a language other than English will be required to test in reading and writing only.

Testing results: Log into your LaGuardia VIP page after four business days to view your scores. Review the Placement area for reading and math results. Writing results take approximately 14 days to post. After all three test results are available, the College will send you an email and update your VIP page with information about advising and registration.

Visit the CUNY Testing website for practice materials at www2.cuny.edu/academics/testing/.

Review the University’s Testing policies and procedures in the College’s online catalog at www.laguardia.edu/catalog.

First Year Institute (FYI): Depending on the results of your placement tests, you may be offered the opportunity to take free pre-freshman courses in reading, writing, math or English as a Second Language before you begin your first semester at the College. Take these tests as soon as possible if you think you will need additional help in these areas.

If you qualify for an FYI course, you will be mailed information about the program after we receive your test results.
Step 6: Apply for Financial Aid

LaGuardia helps you find ways to overcome financial barriers. We offer grants, scholarships, work-study, on/off campus jobs, tuition payment plans and information about loans to help you cover college costs.

- **Federal Programs:** Complete the Free Application for Federal Student Aid (FAFSA) form online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) to apply for federal student aid, including programs such as Pell Grants, Supplemental Educational Opportunity Grants, Federal Work-Study, and Federal Perkins and Direct Loans—a low interest rate loan program. Use LaGuardia Community College School Code 010051. Stop by our Student Financial Services Resource Center, located in room C-109, for help filling out the FAFSA.

- **New York State Programs:** Apply for Tuition Assistance Program (TAP) and Aid for Part-Time Study (APTS) at [www.hesc.ny.gov](http://www.hesc.ny.gov). When you complete the FAFSA online you may also link to the TAP application online. The LaGuardia School Code for TAP is 1403. When you apply for TAP, you will be considered for the following:
  - Tuition Assistance Program (TAP)
  - Aid for Part-Time Study (APTS)
  - Part-Time TAP (PTAP)
  - Child of Deceased Police Officer/Firefighter
  - College Discovery
  - Veterans Tuition Award
  - New York Army National Guard Federal Tuition Assistance
  - Regents Award for Children of Deceased or Disabled Veterans
  - Military Service Recognition Scholarship
  - NY State 4/03 Support for Military Families Programs

Veterans who have used their GI Bill at another college or university and will be attending LaGuardia Community College must notify the US Department of Veteran Affairs and complete a 22-1995 Form at: [https://www.vets.gov/education/apply-for-education-benefits/application/1995/introduction](https://www.vets.gov/education/apply-for-education-benefits/application/1995/introduction).

You should apply for financial aid as early as possible (application opens every October), to receive the most amount of money available. For more information, visit [www.laguardia.edu/financial-aid/scholarships](http://www.laguardia.edu/financial-aid/scholarships).

- **Scholarships:** The College offers numerous scholarships to students who are attending the College and have attained a high degree of academic excellence, have considerably served their community and/or have financial need.

Visit [www.laguardia.edu/Financial-Aid/Scholarships](http://www.laguardia.edu/Financial-Aid/Scholarships) to read about and apply for:

- LaGuardia Foundation Scholarships
- Faculty Council Scholarships
- Excelsior Scholarship: NY’s Tuition-Free Program.
  Apply at [https://www/hesc.ny.gov/excelsior](https://www/hesc.ny.gov/excelsior).

Don’t stop there. Research external scholarships at [www2.cuny.edu/financial-aid/scholarships](http://www2.cuny.edu/financial-aid/scholarships) or by visiting the Student Financial Services Resources Center (room C-109).
Step 7: Register for Classes

Once you have confirmed your enrollment; submitted required documents; and your placement test results are available—you will receive an invitation via email and VIP page to attend an advisement and registration session. Here you will meet with an advisor to discuss your major and advise you on courses to take during your first semester and guide you through the registration process. This is a critical step in the enrollment process, so carefully follow the instructions you receive from your advisor.

Of the courses you will register for during your New Student Advisement and Registration appointment, be sure to include the following:

- **MY FIRST DAY (ADV_MFD)**
  My First Day is an orientation program designed to welcome you to the LaGuardia community. You will have an opportunity to engage with LaGuardia staff, receive important tips for college success and learn about key campus resources.

- **FIRST YEAR SEMINAR**
  LaGuardia’s discipline-specific First Year Seminar (FYS) courses facilitate students’ productive transition to college, linking an introduction to the major with advisement and an orientation to college learning. Students explore key skills and concepts of their discipline and practice the habits of persistence, achievement, and self-efficacy needed for college success. Taught by discipline-based faculty and supported by advisement teams, the seminars utilize peer mentoring, co-curricular learning, and the connective power of ePortfolio to advance student achievement in the first college year and beyond.

RESOURCES

- **Learning Communities**: As a new student at LaGuardia you are encouraged to join a learning community in your first-year, becoming part of a cluster of students whose classes are linked around a common academic theme. In these communities, students explore a subject through different disciplines, such as science, literature, history, philosophy, sociology, psychology and film. Learning community students share classes and study with the same small group of faculty, forming bonds that often last through their LaGuardia experiences and beyond. Students who join a learning community in their first year succeed at a higher rate than students who do not. For more information on learning communities, visit [www.laguardia.edu/clusters](http://www.laguardia.edu/clusters).

- **College Discovery (CD)**: College Discovery is a CUNY program for students who need academic and financial support in order to succeed in community college. This program provides concentrated and specialized counseling, supplemental instruction, tutorial services and a financial aid stipend. All CD students are required to participate in the College’s First Year Institute. For more information, contact College Discovery - room B-235, call (718) 482-5270, or visit [www.laguardia.edu/cd](http://www.laguardia.edu/cd).

- **CUNY EDGE**, formerly known as the COPE Program, has expanded its student services to provide new benefits and support. CUNY EDGE’s mission is to help CUNY students achieve academic excellence, graduate on time, and find employment.

  CUNY EDGE provides academic, personal and career planning support; encourages full-time enrollment in courses each semester and enrollment in intersession classes, as needed, so that students complete their degree in a timely manner.

  Tools and procedures are incorporated to help students remain compliant with all HRA rules and regulations. HRA school letters are completed at least once a semester during the academic year.

  CUNY EDGE is a partnership between the New York City Human Resources Administration (HRA) and the University. In order to qualify for CUNY EDGE, you must be a matriculated CUNY undergraduate student who receives cash assistance from HRA. Contact the CUNY EDGE office in room MB-13 or by calling (718) 482-5479.
• **Veterans Services:** As a veteran, you can receive between 3 and 12 credits based on the length of your active service. For veterans educational benefits certification contact Daryl Griffin at (718) 730-7587.

Contact the Veteran Services Office in room C-371 at (718) 482-5386 or [www.laguardia.edu/veteranservices](http://www.laguardia.edu/veteranservices) for information on the Student Veterans Club, GI educational benefits counseling, college admissions, retention and referral services.

• **Center for Career & Professional Development (Room B-114):** The Center for Career & Professional Development (CCPD) offers a variety of career-related and job readiness services designed to prepare students and alumni to set career goals and become competitive and successful job seekers.

CCPD can assist you in polishing your resume, interviewing techniques and professional branding. In addition, you can use their online job resource, Career Connect, to search and secure internships and part-time and full-time employment opportunities. CCPD also hosts a variety of on-campus recruitment opportunities such as industry fairs and panels. See the Events>Workshop section in Career Connect for upcoming dates.

Getting started on Career Connect:
- Log in to your My LaGuardia Page at [https://my.laguardia.edu](https://my.laguardia.edu)
  - Username: FIRSTNAME.LASTNAME
  - Password: Eight digits of your CUNY ID and last two digits of your birth year
- Click on Career Connect icon under E-Tools
- Complete your Academic Profile

You can access all of the College’s career and professional development online tools at [www.laguarda.edu/careerservices](http://www.laguarda.edu/careerservices).

• **Students with Disabilities:** All persons with disabilities have the right to pursue their educational goals. The Office for Students with Disabilities can assist with advisement and registration; offer academic, career and personal counseling; and provide reasonable accommodations and supplemental services. The office provides Assistive Technology, tutors, note takers and testing accommodations to help you succeed in your educational goals. Participation is voluntary, however you must provide documentation of your disability to be eligible. All information is kept confidential. For more information, contact the Office for Students with Disabilities—room M-102, call (718) 482-5279, visit [www.laguardia.edu/osd/](http://www.laguardia.edu/osd/).

• **Office of Transfer Services:** We know you’re just arriving, but it’s never too early to start thinking about your options after you graduate from LaGuardia. If your plans include completing a bachelor’s degree or graduate school, we can help you search for the right school, plan your courses for a successful graduation and transfer, complete the application process to any college, and navigate scholarships and financial aid questions for the next step

For more information, visit the Office of Transfer Services in Room B-215, call (718) 482-5185, email [transfer@lagcc.cuny.edu](mailto:transfer@lagcc.cuny.edu) or visit [www.laguardia.edu/transfer](http://www.laguardia.edu/transfer).
**Step 8: Pay Your Tuition**

After registering for classes, view your semester charges, including tuition payment due dates via your CUNYfirst account. If you have a balance due on your account, you may pay it online or at the Bursar’s window located in room C-110. Please be sure to keep your mailing information up-to-date, so that you can receive pertinent information from LaGuardia about your registration records.

Don’t let finances get between you and your education. If you have any questions regarding your tuition bill, please contact the Office of the Bursar, room C-110, at (718) 482-7226 or email us at bursar@lagcc.cuny.edu. Learn more at www.laguardia.edu/bursars.

**Step 9: Unlock your My LaGuardia Page and Student Email**

Before the semester begins, you will receive an email with login information to access your personalized My LaGuardia student page and LIVE student email account. Your My LaGuardia page and LIVE @ LaGuardia student email account is the main communication resource that you will have throughout your time at LaGuardia and using both is vital to your success.

You will not receive many notices from the College via traditional mail, so make sure to log in regularly to stay in the know on your academic status, info from your professors and your advising team, financial aid status, job and internship opportunities, emergency alerts, campus events student discounts and more. You will also receive a weekly email from the Student Information Center (SIC) summarizing current information that impacts your daily college experience.

You can access your My LaGuardia page and student email account at https://my.laguardia.edu.

**Username:** firstname.lastname  
**Password:** Your eight digit CUNYfirst ID and the last two digits of your birth year.
LaGuardia Community College
Schedule of Tuition and Fees Spring 2019:

New York City/State Resident Tuition:

New York City residents and New York State residents with a valid certificate of residence from the county of residence.

Full-time Matriculated Students
(12 - 18 EQ credits or units)…………………………………………….. $2,400.00

Part-time Matriculated Students
(fewer than 12 EQ credits or units)……………………………………….. $210.00

Non-degree Students……………………………………………………….. $265.00

Senior Citizen Matriculated and Nondegree
(60 and older/Per semester includes
Consolidated Services Fee)………………………………………………….. $ 15.00
Administrative fee per session……………………………………………….. $ 65.00

Non-New York City residents, international (F-1 visa)
students or undocumented students who are ineligible
for residency tuition rates:

Full-time and Part-time Matriculated Students……………….. $320.00
Non-degree Students………………………………………………………….. $420.00

Fees for Full-time Matriculated and Nondegree Students:
Consolidated Services Fee for all full-time…………………………….. $ 15.00
Student Activity Fee………………………………………………………….. $ 67.00
Technology Fee……………………………………………………………… $ 125.00
Senate Fee……………………………………………………………………….. $ 1.45

Fees for Part-time Matriculated and Nondegree Students:
Consolidated Services Fee for all part-time…………………………….. $ 15.00
Student Activity Fee………………………………………………………….. $ 26.00
Technology Fee……………………………………………………………… $ 62.50
Senate Fee……………………………………………………………………….. $ 1.45

Late Registration Fee…………………………………………………………….. $ 25.00
Change of Program Fee……………………………………………………….. $ 18.00
Commitment Deposit…………………………………………………………….. $100.00

All tuition and fee charges listed are subject to change by action of the University’s Board of Trustees without prior notice. In the event of any increase in tuition or fees, payments already made to the College will be treated as partial payments and notification will be given of the additional amount due, the due date and the method for payment. All tuition and fee charges are payable by cash, check or money order.

Payment Options: Avoid long lines; pay your bill on time! Failure to settle your bill before the established due date may result in cancellation of your registration. Visit the Bursar’s website for more payment information: www.laguardia.edu/bursars.

1. Cash Payments are accepted only at the Bursar’s Window, located in room C-110.

2. Check or Money Order Payments are to be made payable to LaGuardia Community College. Payments are accepted at the Bursars Window, or can be mailed to:

   LaGuardia Community College
   Office of the Bursar
   29-10 Thomson Avenue, room C-110
   Long Island City, NY 11101

You may also place your check or money order in the “Quick Drop Box” located next to the Bursar window. Postage-paid envelopes are also available for your convenience.

3. For Web payments, go to https://home.cunyfirst.cuny.edu and access your CUNYfirst account. We only accept e-Checks and there is no service fee.

4. If you have qualified to receive an estimated financial aid award or scholarship, this amount may be applied to all or part of your tuition and fees bill.

5. You may enroll in Nelnet, an interest-free monthly payment plan. For more information, please contact Nelnet at 1-888-470-6014, or visit www.mycollegepaymentplan.com/cuny.

The Bursar Self-Service Center located in room C-111 will also be available for students to sign up for a tuition payment plan. Bursar staff members will be readily available to assist you.

6. To use Third-Party Payment through your Employer or Sponsor, obtain a voucher or letter from them and present it to the Bursar. This method of payment is acceptable only when the College is authorized to bill an employer or sponsor directly.

Note: Employee reimbursement plans are not considered third-party.
Remember, we are here to support you from start to finish.

- Contact our helpful Student Information Center (SIC) telecounselors by phone at (718) 482-5000 or email infonow@lagcc.cuny.edu
- Participate in fun and informative events (on campus and online) just for newly-admitted students. View the events calendar at www.laguardia.edu/calendar
- Get quick, easy and accurate answers 24/7 to questions about LaGuardia at www.laguardia.edu/ask

At LaGuardia Community College you’re part of a vibrant, diverse community of learners who dare to do more every day.
