DARE TO DO MORE

Homeless Resources:

A Department of Homeless Services (DHS) Guiding Principle states that all homeless individuals and families deserve safe, temporary shelter and that planning for permanent housing should begin immediately. A wide range of services are available to help you as you work to transition from homelessness to permanent housing.

WHERE TO GO

DHS provides temporary emergency shelter to homeless individuals in a safe environment. There are a variety of ways for you to receive services.

SECURING SHELTER - SINGLE ADULTS

To enter a shelter, single homeless men or women who are 18 and older first must go to an intake facility. As noted below, there is one intake center for men and two for women. Homeless individuals who have been in a shelter within the past 12 months should go to that shelter. Otherwise, they should go to an intake center. The intake facilities for single adults are open 24 hours, seven days a week, including holidays. Bringing ID is strongly suggested, though not required. The following forms of ID are very helpful during the intake process:

- Any form of ID with a picture and proof of age - such as a driver's license, state-issued ID, passport or visa, welfare card or green card
- Social Security card
- Medicaid card, if available
- If working, your most recent pay stub

Interpreter assistance will be made available for people who do not speak English.

Dial 311 to receive directions and other information on the following intake centers:
