---

We're pleased to announce that on Monday, February 26, 2018, the CUNYfirst Payroll Interface project will be implemented, making CUNYfirst the single system of record for integrating personnel, payroll and budgeting information across CUNY.

No action is required of you, and there will not be any change to what you normally see on your paystub or paycheck.

For more information regarding the new interface, please click on the link below or visit our HR webpage.
