Dear Colleagues,

Welcome to LaGuardia Community College's 16th annual President's Faculty and Staff Scholarship Reception. This is an opportunity to celebrate the many accomplishments of current faculty and staff and to honor LaGuardia's Emeriti Professors, those courageous idealists whose contributions to the College have shaped our legacy and helped build the LaGuardia of today.

Scholarship at LaGuardia is central to our community, one where the pursuit of deeper understanding is honored and nurtured. Your courage to question and innovate within your disciplines makes our community richer, sets an example for our students and enhances our reputation within the world of higher education. Once again, LaGuardia's faculty and staff have achieved phenomenal scholarly success over the last year.

We are especially grateful to our retiring faculty, and as a symbol of our deep appreciation for their significant contributions to LaGuardia, we confer the designation of Emeritus. I speak for the entire LaGuardia community when I say that as you embark on new journeys, I hope you will remain part of the LaGuardia family and continue to bring your intelligence, creativity and passion to our community.

My congratulations to each and every one of you for your hard work, dedication and accomplishments. The College salutes your achievements and looks forward to your future endeavors.
