

**DARE TO DO MORE**

September 29, 2021

Dear Students,

CUNY students attending in-person and hybrid classes for the fall 2021 semester are required to be vaccinated. You must submit your vaccination documentation by October 7, 2021 and be [“fully vaccinated”](#) by October 21, 2021.

Students accessing CUNY facilities for reasons other than to attend an on-campus class session will be required to be vaccinated after October 7, 2021. Only if they have been granted a religious exception or a medical exemption, can they show proof of a negative COVID-19 test taken no more than 7 days prior to the visit.

Until the October 7 deadline, students who are waiting for their vaccination documentation to be approved (or received a religious exception or medical exemption) must show proof of a negative COVID-19 test taken within the past seven days at a CUNY testing site.
