To submit transcripts and other supportive documentation: If you are a current LaGuardia student, you do not have to submit a paper copy of your transcript, instead an electronic copy of your official transcript will be retrieved by CUNY—In order to retrieve your transcript, your social security number or CUNY ID as indicated on your Admission Application must match the identification number listed on your CUNY college record. Also, if there are stops and/or holds on your CUNY record, please resolve them with the Office of the Registrar in Room C-107. Once the problem is resolved, CUNY will then be able to electronically retrieve your transcript.

Transcripts: If you attended any other colleges or universities, please submit all prior transcripts to the address below. Also, an official high school transcript with proof of graduation indicated must be submitted. An official transcript is required for each school attended.
