Pathways Requirements & Transfer

PATHWAYS REQUIRED CORE (RC) Pathways is CUNY's general education framework. For Required Core, students must take 2 English courses, 1 Mathematics and Quantitative Reasoning course, and 1 Life and Physical Sciences course. For more details, including a list of Life and Physical Sciences courses, visit the [Pathways Required Core website](#).

MATHEMATICS AND QUANTITATIVE REASONING It is recommended to take MAT120/119 Statistics because it is typically needed at a 4-year college for this field of study. It also the required Math course at York College.

PATHWAYS FLEXIBLE CORE (FC) allows students to choose courses based on interests, transfer or career plans, or for general exploration. Associate of Science students must take one course from each category listed below, plus an additional course from any category. View DegreeWorks or the [Pathways website](#) to see a full range of options, or talk with the program director or an advisor. Your program has specific requirements or recommendations listed below. All recommendations below apply generally because they aid transfer to 4-year Public Health programs. In some cases, an additional reason is provided.

- Creative Expression: **HUC106** recommended because course meets Health Communication requirements for 4-year programs
- U.S. Experience in its Diversity: **SSP101 U.S. Power & Politics**
- World Cultures and Global Issues: **SSA101 Cultural Anthropology**

The following are recommended because they are needed for transfer to Hunter's Public Health Program

- Individual & Society: **SSS100 Intro to Sociology**
- Scientific World: **SSY101 General Psychology (also required for SCH215)**
- Additional (Scientific World): **SCD200 Introductory Nutrition (note: this course may also be taken as part of the Program Core)**

TRANSFER AGREEMENTS The Public & Community Health program has an agreement with the following 4-year college. By graduating from LaGuardia and meeting certain requirements, you will be able to complete your studies at a 4-year college and earn a bachelor's degree. For more information, visit our [Transfer Agreement \(Articulation\) web page](#).

1. York College – BS in Public Health
2. No transfer agreement but other transfer possibilities: Hunter College – BS in Public Health or Lehman College – BS in Health & Promotion
