City College Dual Enrollment

Engineering is a “dual enrollment” program. Once students complete their studies at LaGuardia, they will have the opportunity to transition to City College as third year students in pursuit of a bachelor’s degree.

Pathways Requirements & Transfer

PATHWAYS REQUIRED CORE (RC) Pathways is CUNY’s general education framework. For Required Core, students must take 2 English courses, 1 Mathematics and Quantitative Reasoning course, and 1 Life and Physical Sciences course. For more details visit the [Pathways Required Core website](#).

MATHEMATICS AND QUANTITATIVE REASONING MAT201 Calculus I is the required course but students may need to first take MAT115/117 Algebra & Trigonometry and/or MAT200 Precalculus.

PATHWAYS FLEXIBLE CORE is CUNY’s general education framework that allows students to choose courses based on interests, transfer or career plans, or for general exploration. Associate of Science students must take one course from each category listed below, plus an additional course from any category. View DegreeWorks or our [Pathways website](#) to see a full range of options, or talk with the program director or an advisor. Note: your program has specific requirements & recommendations listed below. The recommendations facilitate transfer to City College or other 4-year engineering programs.

- Creative Expression: **HUM101 Intro to Music or HUA101 Intro to Art**
- Individual & Society: **HUP104 Ethics & Moral Issues**
- Scientific World: **MAT202 Calculus II required**
- U.S. Experience in its Diversity: **SSN187 Urban Sociology**
- World Cultures and Global Issues: **SSA101 Cultural Anthropology**
- Additional (Scientific World): **SCP232 General Physics II required**

TRANSFER AGEEMENTS The Engineering program has an agreement with the following 4-year colleges. By graduating from LaGuardia and meeting certain requirements, you will be able to complete your studies at a 4-year college and earn a bachelor’s degree. For more information, visit our [Transfer Agreement \(Articulation\) web page](#). You may also speak to an advisor or Transfer Services for more support on transfer.
