NOTE

ELS 200 Latin American Literature I/204 Latin American Civilization/209 Spanish Grammar and Usage/210 Advanced Spanish Composition can be taken in any order, although it is recommended that students wait to take ELS210, the Capstone course, later in their progression. The prerequisite for these courses is ELS105 OR a placement test. It is recommended that students take at least one of the courses each semester rather than wait for the second year, as this could complicate their schedules and potentially delay graduation. We only offer one section of each course on Fall 1 or Spring 1. Students may take more than one course in any given semester.

IMPORTANT NOTES

DEVELOPMENTAL COURSES Based on placement results, you may require additional preparation before entering college-level English or Math courses. Options can include

- a) developmental courses such as ENA099 or MAT095;
- b) English-as-a-Second-Language (ESL) courses;
- c) Co-requisite courses such as ENA/ENC101, CSE111, or MAT117/119/123; or
- d) CUNY Start.

Speak to an advisor to find out more.
