## Notes on Sequencing

ELS200 Latin American Literature I, ELS204 Latin American Civilization, ELS209 Spanish Grammar and Usage, and ELS210 Advanced Spanish Composition can be taken in any order, although it is recommended that students wait to take ELS210, the Capstone course, later in their progression.

The prerequisite for these courses is ELS105 OR a placement test. It is recommended that students take at least one of the courses each semester rather than wait for the second year, as this could complicate their schedules and potentially delay graduation. We only offer one section of each course during Fall 1 or Spring 1. Students may take more than one course in any given semester.
