

ACCUPLACER ELEMENTARY ALGEBRA (M5) PLACEMENT

NOTES:

1. 12 Questions on M5 exam
2. Students who score between 50-56 will be able to retest automatically after 10 business days
3. One chance to retest regardless of score on second test
4. Once students attend a class they are no longer eligible to retest. If students take an FYIP course or a CUNY Start class they are not eligible to retest

OTHER BASIC MATH COURSES

MAT 99 (0 cr, 7 eq cr)
Fundamentals of Algebra

MAT 117 (3 cr, 7 eq cr)
Algebra & Trigonometry

MAT 119 (3 cr, 7 eq cr)
Statistics w/ Elementary Algebra

Combination of:

MAT 95 (0 cr, 5.5 eq cr) + **MAT 96** (0 cr, 5.5 eq cr)

Combination of:

MAT 96 (0 cr, 5.5 eq cr) + **MAT 115** (3 cr, 3 eq cr)

Combination of:

MAT 96 (0 cr, 5.5 eq cr) + **MAT 120** (3 cr, 3 eq cr)

ACCUPLACER COLLEGE-LEVEL MATH (M6)

M6 SCORE of:
70+

MAT 200
Precalculus
(4 cr, 4 eq cr)

NOTES:

1. Determine if students can take MAT 200 (Pre-calculus) without the pre-req of MAT 115
2. Students who score a 57+ on the Elementary Algebra Exam (M5) will automatically be given the College-Level Math (M6) test
3. Students who score below a 70 on the M6 test will be eligible to take college-level math courses (i.e. MAT 106, MAT 107, MAT 115, MAT 120)
