

HUMAN SERVICES

INFORMATION SHEET

Review Your Program Homepage

- Read Program Mission Statement, Program Overview and Course Progression at <http://www.laguardia.edu/humanservices/>

Foundation Courses

- **English Composition I** (ENG101) – prerequisite for program courses
 - **General Psychology** (SSY101) – prerequisite for program courses*
 - **Introduction to Sociology** (SSS100) – prerequisite for program courses*
 - **Power and Politics** (SSP 101) – prerequisite for program courses*
 - **Health and Wellness** (SCH160)
 - **Community Health** (SCN195) – prerequisite for program courses
 - **Community Health Research** (SCN196) – prerequisite for program courses
- * 4 year programs in Human Services and Social Work require these courses

Required Internship

- The Health & Human Services Seminar & Internship (HSS290) is the capstone course for the program and requires 72 hours of fieldwork, attending a weekly seminar, participating in discussions, and creating a professional ePortfolio.

Additional Program Requirements

- **Elementary Statistics** (MAT120) – required by many 4 year programs
- **Public Speaking** (HUC106) – required by many 4 year programs
- **Cultural Anthropology** (SSA101) – to build cultural competency
- **Abnormal Psychology** (SSY230) – for those thinking of careers in mental health
- **Health & Human Services Electives** – select based upon interest or transfer needs

When/Where To Apply To Transfer To Four Year Schools

- Students should begin thinking about transfer early and visit Transfer Services
- The transfer process should begin in the next to last semester at LaGuardia
- In addition to transfer, 4 year programs in Social Work require a separate application; each school has its own requirements.

Advisement

- Seek Advisement from the Human Services Program Director or member of the Human Services Faculty at HealthSci@lagcc.cuny.edu
