The Student Technology Mentor Program

LaGuardia's Student Technology Mentors (STMs) help students, faculty and staff with the use of technology including the following resources available to you as students.

What software can you use to complete your assignments?

You can download the Microsoft Office suite and install it on your computer. This software will help you complete all types of assignments for your courses, from writing essays to preparing presentations. For more information, visit www.laguardia.edu/technology-resources

LinkedIn Learning

Why use LinkedIn Learning?

- Lets you learn at your own pace. Anytime, anywhere access including your cell phone using the LIL mobile app.

- Select courses relevant to your educational goals in areas like Business, Technology and the Humanities.

- Pursue your other passions! With courses on financial literacy, social media, drawing and music theory, you'll grow and develop in areas you care about both at and outside of LaGuardia.

Do you have more questions?

The ASK LaGuardia tool lets you find answers for most common questions. Access it from the main LaGuardia home page to learn more.

WELCOME | TO GET STARTED, JUST ASK US A QUESTION.

Please ask ONE complete question at a time. For example: What are electives?   **Ask**
