City University of New York

ARTICULATION AGREEMENT

A. Sending and Receiving Institutions

Sending College: LaGuardia Community College (LGCC)

Department: Health Sciences

Program: Radiology Technology

Degree: Associate in Applied Science (AAS)

Receiving College: New York City College of Technology (NYCCT)

Department: Health and Human Services

Program: Health Services Administration (HSA)

Degree: Bachelor of Science (BS)

B. Admission Requirements for Senior College Program

Admission requirements for Bachelor of Science in Health Services Administration:

An associate degree in a health science program of study with a minimum grade point average of 2.5, and appropriate Licensure or Certification in hand or pending;

OR

An associate degree from a program that has an articulation agreement with the NYCCT HSA program with a minimum grade point average of 2.5;

OR

An associate degree with a minimum grade point average of 2.5, and at least two years of alternative work experience in a health care setting or related field as determined by the HSA program coordinator.

Articulation with LaGuardia Community College's AAS degree in Radiology Technology with the New York City College of Technology's BS in Health Services Administration is based upon the following:

- Students wishing to transfer under this articulation agreement must have obtained their associate degree and met the minimum cumulative 2.5 GPA requirement.
- Total transfer credits granted toward the baccalaureate degree is 60
- Total credits required for the B.S degree in Health Services Administration is 120

Course Equivalences and/or Transfer Credit Awarded

LaGuardia Community Collage's Radiology Technology AAS: Transferred credits will be applied to the Baccalaureate degree as professional credits, course specific transfer credits and electives. Students will meet with a NYCCT advisor who will review their transcripts to ensure appropriate placement within the program.

D. Articulation Agreement Follow-up Procedures

1. Procedures for reviewing, up-dating, modifying or terminating this agreement:

When either of the programs undergo any changes, this articulation agreement will be reviewed and revised as necessary by one or two members of the faculty of each institution's department, selected by their respective Chairpersons, to represent them.

2. Procedures for evaluating agreement (i.e., tracking the number of students who transfer under the articulation agreement and their success):

Upon the request of LaGuardia Community College each year New York City College of Technology will provide the following information: a) the number of LCC graduates who applied to the program; b) the number of LCC students who were accepted into the program; c) the number of LCC students who enrolled to the program; d) the aggregate GPA of these enrolled students at NYCCT

At the end of semester the various representatives of each institution will review the performance of the transfer students to determine if adjustments to, or termination of the articulation agreement is warranted.

3. Sending and receiving college procedures for publicizing the agreement (e.g., college catalogs, transfer advisers, websites, etc.):

- This articulation agreement will be publicized on New York City College of Technology website, and the LaGuardia Community College website.
- Transfer advisors at LaGuardia Community College will promote this agreement with eligible students.
