**Re: Universal Availability Notice  
The City University of New York Voluntary Savings Plans**

Dear CUNY Employee:

You have an option to supplement your retirement savings by enrolling in the CUNY-sponsored 403(b) Voluntary Savings Plan (also known as the Tax-Deferred Annuity Plan), as well as other savings plans detailed in this letter. Your 403(b) contributions are deducted from your biweekly paycheck. You have two options for your 403(b) contributions:

- Pretax contributions allowing you to reduce your current federal and New York state income taxes.
- Roth contributions (currently available for senior colleges only). A Roth option will give you the opportunity for a payroll deduction on a post-tax basis. Money invested in the Roth option is taxed when deducted from your pay check.

You will be allowed to split your 403(b) contributions between the post-tax (Roth) and the pretax (Traditional) options, although any such combinations cannot exceed the maximum allowed by the IRS. For 2019, this total annual limit is \$19,000, with an additional \$6,000 if you're over age 50.

**You may elect to enroll in the plan at any time and change your deferral percentage three times per year (or four times if the third change is to stop deductions)** by completing a new salary reduction agreement form. You may not contribute to more than one 403(b) plan at a time.

**403(b) Tax-Deferred Annuity (TDA) Plan and Annual IRS Contribution Limits:**

You elect the amount of your contributions up to federal limits and you also decide where to invest these contributions among the many available investment options.

- Federal law allows tax-deferred contributions up to \$19,000 in 2019 if you are under 50 years of age.
- If you will be age 50 or over in 2019, you may contribute an additional \$6,000 for a maximum of \$25,000.
- If you also contribute to another 403(b) or a 401(k) plan from another employer during the year, your combined contributions to all the plans in 2019 cannot exceed the limits noted above. **You are responsible for tracking and reporting the amounts of your contributions to all your employers.**
- You can contribute to the 403(b) and the New York State 457(b) plan for a combined total of \$38,000 (plus another \$12,000 if you are over age 50).

**Eligibility:**

Please keep in mind that your classification and job title determines your eligibility in the TDA plan. If you have any questions about your eligibility, please contact your benefits office.

The CUNY TDA plan investments are available through TIAA to all employees *in the Executive Compensation Plan, Instructional Staff, Classified Managerial Staff and Classified Civil Service Staff employees.*

**To start, stop or increase your TDA contribution, your action is required by December 10, 2018**

### You may elect to take one of the following actions with TIAA:

- a. If you are currently contributing to any of the Voluntary Savings Plans and would like to change your deferral percentage, you must contact your College Benefits Officer in order to obtain a new salary reduction agreement form before December 10, 2018, to have deductions reflected in payroll as early as administratively feasible in 2019.
- b. If you are enrolling in a Voluntary Savings Plan for the first time, contact your College Benefits Officer for Salary Reduction Agreement forms or online instructions, or simply visit [TIAA.org/cuny](http://TIAA.org/cuny) to enroll and learn more about the plan. You should print a copy of the enrollment confirmation for your records. Then, complete the enclosed Salary Reduction Agreement (SRA), which allows you to set up contributions directly from your paycheck to your retirement account. Return your completed SRA form and proof of enrollment to your campus benefits office by December 10, 2018, to have deductions reflected in payroll as early as administratively possible in 2019.
- c. **If you are currently enrolled and wish to contribute the same bi-weekly amount in 2019, no action on your part is necessary.**

### Other Voluntary Savings Plans:

- **New York State Compensation Plan 457(b)**, 1-800-422-8463, [www.nysdcp.com](http://www.nysdcp.com) – *Available to all employees.* Federal law allows tax-deferred savings up to \$19,000 in 2019. If you will be age 50 or over in 2019, you may contribute an additional \$6,000 in 2019 for a maximum of \$25,000. To do this, you must complete an Age 50 and Over Catch-Up Form. You may also be eligible to make additional contributions during the three consecutive years prior to your Normal Retirement age.
  - Plan participants are also able to make Roth (post-tax) contributions. Please contact the plan for additional information. Please note that Roth (post-tax) and traditional (pretax) contributions are combined and may not exceed the overall contribution limits as noted above.
  - There are presently no coordination of limits between the 457(b) and the 403(b) plans. Therefore, you can contribute the maximum to each plan.
- **City of New York's 401(k) Retirement Plan [www.nyc.gov/olr](http://www.nyc.gov/olr)** – *Available only to Community College employees.* Federal law allows tax-deferred savings up to \$19,000 in 2019. If you will be age 50 or older in 2019, you may contribute an additional \$6,000 for a maximum of \$25,000. You are also eligible to contribute to the 457(b) or the 401(k) or both. If you contribute to the 403(b) or 401(k) *plus* the 457(b), your combined deferral limit is \$38,000 for 2019 (plus another \$12,000 if you are age 50 or older). However, if you are participating in the 401(k) and/or the 403(b) (without the 457(b)), the combined deferral is \$19,000 for both plans (or \$25,000 if you will be age 50 or over in 2019).
