**Step four: Mail Application**

**\*PLEASE MAIL APPLICATION USING CERTIFIED MAIL\***

**Application will be mailed to:**

USCIS

PO Box 660867

Dallas, T.X. 75266

**Step five: Report your Employment to the International Student Services at B-117**

- Submit in person at B-117 or by email at [FSInformation@lagcc.cuny.edu](mailto:FSInformation@lagcc.cuny.edu) a copy of the **OPT Employment Report (Attached in this packet)**. This has to be reported to the office within the **90 days** from your employment start date (as it appears in your EAD Card). **If this is not reported, you will be in risk of having your I-20 terminated.**
- Submit in person at B-117 or by email at [FSInformation@lagcc.cuny.edu](mailto:FSInformation@lagcc.cuny.edu) a copy of your **Employment Authorization Document (EAD card)**.
- As of March 23, 2018, the U.S. Department of Homeland Security implemented a new online tool for students on OPT to keep your information up to date in the Student and Exchange Visitor Information System (SEVIS).
- Since the regulation has not changed, students are **REQUIRED** to report employment to ISS in person at B-117 or through email at [FSInformation@lagcc.cuny.edu](mailto:FSInformation@lagcc.cuny.edu) in order to maintain status, regardless of reporting information in the SEVP Portal. We suggest to those students who wish to use the SEVP portal that they use it for viewing purposes, only, and not to make any changes. The SEVP Portal is optional and not required by federal regulations. Students who choose to use the Portal to report information are still **required** to report that same information to the **International Student Services at B-117**.

**Create an SEVP Portal Account**

There are four basic steps for creating an account in the SEVP Portal:

1. SEVIS notifies the SEVP Portal of U.S. Citizenship and Immigration Services' (USCIS) approval of the student's OPT or practical training and the OPT authorization is active; the portal emails the student instructions for creating a portal account.
2. Student receives the email which contains a link they must use to create the account. This link is unique to the student and cannot be shared or reused.
3. Student clicks the link in the email, enters their SEVIS ID and creates a password.
4. The SEVP Portal creates the student's user profile.

If you need more details about these steps, please visit <https://studyinthestates.dhs.gov/create-an-sevp-portal-account> for screenshots and step-by-step instructions, please download and refer to the SEVP Portal User Guide and the SEVP Portal Videos.

**DARE TO DO MORE**

### What should I do if I did not receive an email from SEVP with instructions to create a portal account?

- Remember, SEVP will send you this email only when your OPT is approved and active, meaning that you have been issued an Employment Authorization Document (EAD card) and the start date of your EAD card has arrived (or within 1-2 days after the start date). If you already have your EAD card, but the start date of your EAD card is still in the future, you will not have the SEVP email yet.
- The SEVP email will come from [do-not-reply.sevp@ice.dhs.gov](mailto:do-not-reply.sevp@ice.dhs.gov) to the email checked as your preferred email in your OPT application and Cunyfirst account. The email that is checked as your preferred email in your OPT application and Cunyfirst account is associated with your SEVIS record and will be used for the SEVP Portal.
- Check your spam/junk mailbox to make sure you did not miss the SEVP email.
- If you have your EAD card and it has been 10 days or more since the start date of your EAD card arrived, but you still have not received an email from SEVP, please contact the International Student Services at B-117 or by email at [FSInformation@lagcc.cuny.edu](mailto:FSInformation@lagcc.cuny.edu) with the subject line "SEVP Portal Email Not Received." Sometimes, SEVIS fails to update a student's OPT status to Approved and as a result of that, the SEVP Portal is "unaware" that your OPT has been approved.

### **Step six: Student Responsibilities while on OPT**

Students are required to **report** the following to the International Students Office (Email at [FSInformation@lagcc.cuny.edu](mailto:FSInformation@lagcc.cuny.edu)): Please include your name and EMPL ID.

- The beginning of employment, with the name, telephone number, and address of the employer. This has to be reported to the office within the **90 days** from your employment start date (as it appears in your EAD Card). **If this is not reported, you will be in risk of having your I-20 terminated.**
- The termination of employment.
- Any change in your personal address.
- Any change in your employer's name, address, phone number.
- The plan to follow after OPT is finished. Student has to inform International Student Services if he/she is: -Transferring to another college, - Applying for a second degree, - Changing immigrant status, or - Traveling back to home country. If any of these plans are not reported to ISS within the **60 days** after the last day of OPT, the I-20 will be **AUTOMATICALLY** completed by SEVIS system.

#### **Processing information:**

An application filed without the required fee, all the necessary documents, signature and photographs will be returned to you as incomplete. You may correct the deficiency and resubmit the application, however, an application is not considered properly filed until the USCIS accepts it. If your application is complete and filed at a USCIS Service Center, you will be mailed a Notice of Action Form I-797, receipt notice.

**DARE TO DO MORE**

**Decisions on your application:**

- **Approval:** If approved, your EAD card will be mailed to you at your filed address.
- **Request for further information:** If additional information or documentation is required, a written request will be sent to you, requesting further specific information. Please see ISS advisor at B-117.
- **Denial:** If your application cannot be approved, you will receive a written notice explaining the basis of your denial. You can file a "motion to reopen". Please come and see your International student advisor at B-117.

**Time:**

The estimated processing time is 60 to 90 days. Processing times may vary on the USCIS workload. Employment may **NOT** commence until you have obtained approval from the USCIS and you have received your Employment Authorization Document (EAD) card.
