

DARE TO DO MORE

Dear LaGuardia faculty and staff –

Don't forget to register for next week's Town Hall on Friday, January 21, at 10 a.m. on Zoom. Please register [here](#). This forum will address the latest COVID guidelines, and any concerns you have as we navigate through this latest stage of the pandemic. We will also discuss concerns regarding spring semester course modality and its impact on enrollment that were raised at yesterday's Senate meeting. Please feel free to submit questions in advance via the Zoom registration, or live during the event.

Student Vaccine Requirement: As we near several [key dates](#) for students to be vaccinated ahead of the spring semester, here is a reminder of those deadlines:

- 1/22/22 deadline for first dose of Moderna vaccine
- 1/29/22 deadline for first dose of Pfizer vaccine
- 2/19/22 deadline for single dose of Johnson & Johnson vaccine
- 2/26/22 deadline to [upload proof of vaccination documents to CUNYfirst](#)
- 3/4/22 drop date for Student COVID Vaccination Non-Compliance
- 3/5/22 first day of Spring I 2022 classes

Students are required to have booster shots when they become eligible for them. Students are receiving emails and texts about these deadlines and all other updates. Please remind them of the importance of CUNY's vaccination and booster policies when you see them in class, in the office, or online.

Above and Beyond Recognition: Throughout the past several weeks, as positive COVID cases soared, the dedication of LaGuardia's contact tracing team has remained a constant. Thank you to Theresia Litvay-Sardou, Luz Ruyol, Bonnie Brown, and Renee Fuseyamore for bearing this burden with the utmost professionalism. They are working very hard under stressful conditions to keep all of us safe.

Best wishes,

Kenneth Adams
President
