City College - Key Programs and Majors

Grove School of Engineering (GROE)

The most important fact about getting into the Grove School of Engineering at The City College of New York is also the most obvious one: First you have to get into The City College. To apply to CUNY, and for most CUNY admissions information, please visit the CUNY admissions page at: <http://www2.cuny.edu/admissions/>

Transfer Requirements

1. Achieved a minimum overall GPA of 2.7 in his/her college courses;
2. Achieved a minimum 2.5 GPA in college math and science courses, with none of these grades below C;
3. Passed calculus; (at LaGuardia MAT 201 and MAT 202)
4. Demonstrated proficiency, evidenced by his/her transcript, in math and science; and
5. Completed 24 or more college-level credits.

The math and science GPA is calculated using **physics, chemistry and biology courses, and math courses at the pre-calculus level and above**; and proficiency in science must be demonstrated by completion of a **calculus-based general physics course**. (Applicants to the Computer Science program may substitute a general chemistry or biology course.)

The math and science GPA is calculated using the grades from every time that each course was taken. If a course was repeated, there is no "F repeat policy" of dropping the earlier grade from the calculation. Also, "none of these grades below C" applies. In order to be eligible for the Grove School of Engineering, students complete of at least 45 credits with an overall GPA of 2.25 or higher.

If you have additional transfer questions, please contact the GSOE main office. It is located in Steinman Hall Room number 209, and they can be reached by telephone at 212-650-8020 or by email at engineering@ccny.cuny.edu.
