Hunter College - Transfer Information

Hunter Transfer Profile

Located in the heart of Manhattan, Hunter serves over 22,000 students in more than 170 different programs of study. Most popular areas of study include, education, health, and social work.

- The *average** student who transfer to Hunter College achieved a cumulative GPA of 3.21
- The *average** student who transfers to Hunter College has completed 69 credits
- Maximum credits accepted from associates degree granting institutions is 70 credits
- Maximum credits accepted from bachelor's degree granting institutions is 90 credits
- Transfer students must have a minimum GPA of 2.25 to be considered for admission

**Average GPA is not a minimum requirement, students are routinely admitted with GPA's above and below this number.*

Admission Requirements

Take the CUNY/ACT Skills Assessment Test and Compass Mathematics Placement Test in reading and writing. (Transfer students who have completed a three credit college-level English or Math course with a grade of C or better are exempt from the CUNY reading and writing exams and/or math exams)

CUNY Pathways & General Education Requirements

- If you have earned an Associates of Arts (AA) or an Associates of Science (AS) you are waived from CUNY's common core and half of their individual college option requirements.
- If you have earned an Associates of Applied Sciences (AAS) you are waived from pathway courses that you have completed at LaGuardia.
- If you have NOT completed an associate's degree, CUNY senior colleges will require you to complete up to 12 credits as part of their college option.

**College option courses typically emphasize foreign language and concentrated areas of study*

**Visit the college catalog for additional foreign language requirements*
