PART ONE: INTRODUCTION AND BACKGROUND

This report is an annual update of the Affirmative Action Plan (AAP) for federal contractors. The U.S. Department of Labor’s Office of Federal Contract Compliance Programs (OFCCP) oversees affirmative action program requirements for federal contractors.

This unit is one of over 25 affirmative action establishments at the City University of New York (CUNY).

This plan reflects requirements for implementing:

- Presidential Executive Order (EO) 11246, addressing gender and federally protected racial/ethnic groups
- The Vietnam Era Veterans’ Readjustment Assistance Act of 1974 (VEVRAA), as amended, for protected veterans
- Section 503 of the Rehabilitation Act of 1973, as amended, for individuals with disabilities.

Some aspects of this plan also reflect state and local regulations, guidelines for public entities, CUNY trustees’ resolutions, and CUNY policy.

The employee census date is June 1, 2022. The previous reporting year was June 1, 2021 – May 31, 2022. The program year for this plan is September 1, 2022 – August 31, 2023.

We address disruptions due to the ongoing COVID-19 outbreak later in this report.

This plan is available for public review as described on the title page.

We produce a separate affirmative action plan for Italian Americans. CUNY’s Chancellor designated Italian Americans as a protected group in 1976.

RELEVANT POLICIES

As a unit of The City University of New York (CUNY), we adhere to federal, state, and city laws and regulations on non-discrimination and affirmative action, including: Executive Order 11246, as amended, Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Section 402 of the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended, the Equal Pay Act of 1963, the Age Discrimination in Employment Act of 1967, as amended, the Age Discrimination Act of 1975, New York State Human Rights Law and New York City Human Rights Law.

Protected groups identified in Executive Order 11246 are American Indian or Alaska Native, Asian,

Black or African American, Hispanic or Latino, Native Hawaiian or Other Pacific Islander, Two or More Races, and Women. Additionally, the Chancellor of CUNY designated Italian Americans as a protected group in 1976 and CUNY prepares a separate Italian American affirmative action plan. CUNY posts its policies on non-discrimination, sexual misconduct, and affirmative action on its website.

Equal Opportunity and Non-Discrimination Policy

The City University of New York (“University” or “CUNY”), located in a historically diverse municipality, is committed to a policy of equal employment and equal access in its educational programs and activities. Diversity, inclusion, and an environment free from discrimination are central to the mission of The University.

It is the policy of The University—applicable to all colleges and units— to recruit, employ, retain, promote, and provide benefits to employees (including paid and unpaid interns) and to admit and provide services for students without regard to race, color, creed, national origin, ethnicity, ancestry, religion, age, sex (including pregnancy, childbirth and related conditions), sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information, alienage, citizenship, military or veteran status, status as a victim of domestic violence/stalking/sex offenses, unemployment status, or any other legally prohibited basis in accordance with federal, state and city laws.

It is also The University’s policy to provide reasonable accommodations to applicants, employees and other persons on the basis of disability, religious practices, pregnancy or childbirth-related medical conditions, or status as victims of domestic violence/stalking/sex offenses.

This Policy also prohibits retaliation for reporting or opposing discrimination, or cooperating with an investigation of a discrimination complaint.

Affirmative Action Policy

CUNY has had policies related to affirmative action plans since the early 1970s. CUNY’s Affirmative Action Policy of May 28, 1985 is part of its Manual of General Policy.

ARTICLE V FACULTY, STAFF AND ADMINISTRATION

Policy 5.04 - Affirmative Action:

RESOLVED, that the Board of Trustees of The City University of New York reaffirms its commitment to affirmative action and directs the Chancellery and the colleges to reemphasize the taking of the positive steps that will lead to recruiting, hiring, retaining, tenuring, and promoting increased numbers of qualified minorities and women. (Board of Trustees Minutes, 1985-05-28, Section 6-C)

Sexual Misconduct Policy

CUNY’s Policy on Sexual Misconduct addresses sexual harassment, gender-based harassment

and sexual violence. It outlines procedures applicable to students and employees for addressing complaints.

Every member of The City University of New York (“CUNY”) community, including students, employees and visitors, deserves the opportunity to live, learn and work free from Sexual Misconduct (sexual harassment, gender-based harassment and sexual violence). Accordingly, CUNY is committed to:

Defining conduct that constitutes prohibited Sexual Misconduct;

Providing clear guidelines for students, employees and visitors on how to report incidents of Sexual Misconduct and a commitment that any complaints will be handled respectfully;

Promptly responding to and investigating allegations of Sexual Misconduct, pursuing disciplinary action when appropriate, referring the incident to local law enforcement when appropriate, and taking action to investigate and address any allegations of retaliation;

Providing ongoing assistance and support to students and employees who make allegations of Sexual Misconduct;

Providing awareness and prevention information on Sexual Misconduct, including widely disseminating this policy, as well as a “students’ bill of rights” and implementing training and educational programs on Sexual Misconduct to college constituencies; and

Gathering and analyzing information and data that will be reviewed in order to improve safety, reporting, responsiveness and the resolution of incidents.

This is the sole policy at CUNY addressing Sexual Misconduct and is applicable at all college and units at the University. It will be interpreted in accordance with the principles of academic freedom adopted by CUNY’s Board of Trustees.

Other Policies

It is our policy to recruit, employ, retain, promote, and provide benefits to employees and to admit and provide services for students without regard to race, color, national or ethnic origin, religion, age, sex, sexual orientation, gender identity, marital status, disability, genetic predisposition or carrier status, alienage, citizenship, military or veteran status, unemployment status or status as victim of domestic violence.

Management reaffirms its non-discrimination policies annually. **Appendix B** contains the most recent reaffirmation letter, issued on November 21, 2022.

Other important policies available on CUNY’s “Policies and Resources” webpage include:

- Campus and Workplace Violence Policy
- Domestic Violence and the Workplace Policy
- Procedures for Implementing Reasonable Accommodations and Academic Adjustments

CUNY campuses report crime statistics, including statistics relating to sexual violence under the federal Jeanne Clery Act. Information is available from the campus Office of Public Safety

RESPONSIBILITY FOR IMPLEMENTATION

While the entire community participates in promoting diversity and inclusion, we have assigned certain specific responsibilities.

The President

The President, Kenneth Adams, oversees affirmative action and diversity programs to assure compliance with federal, state, and city laws, rules and regulations and university policies.

The President designates personnel to manage affirmative action, compliance and diversity programs. Personnel include the Chief Diversity Officer (CDO), 504/Americans with Disabilities Act (ADA) Coordinator and Title IX Coordinator. The President ensures these personnel have authority, staffing, and other resources to fulfill their assigned responsibilities.

The President communicates commitment to equal employment opportunity, issuing an annual reaffirmation of this commitment, and issues required reports, including this affirmative action plan.

Chief Diversity Officer

The President has designated Craig Greene as Chief Diversity Officer (CDO) and Responsible Official who:

- Provides confidential consultation for, investigates, and resolves discrimination/harassment complaints
- Distributes new and revised policies and notices, integrating them into training programs, search committee orientations, websites, and other communications
- Evaluates affirmative action programs and initiatives
- Prepares and communicates affirmative action plan reports
- Consults with hiring teams and managers on recruitment and selection, overseeing recruitment plans and effective recruitment/selection strategies
- Participates in CUNY initiatives promoting diversity and inclusion.

The Chief Diversity Officer (or designee) completed the OFCCP's on-line certification of compliance with affirmative action program requirements prior to June 30, 2022.

Officials

Executives, department chairpersons, managers, and supervisors are critical partners in equal employment and affirmative action programs. They help ensure compliance with regulations and policies, foster an inclusive environment, and help develop and implement affirmative action programs.

Committee(s) on Diversity and Inclusion

A standing committee advises the President on diversity and affirmative action, reviews the impact of policies on the governance plan, develops and implements strategic diversity plans, and promotes programs to reflect pluralistic values and goals.

Committee members in this past year were:

Wendy Nicholson (Chair)

Vanessa Bing (Chair)

Steven Hitt (Chair)

Jason Hendrickson

John Chaney

Jhony Nelson

Christopher McHale

Joy Sanchez-Taylor

Tuli Chatterji

Darren Barany

University Management

CUNY's University Office of Recruitment and Diversity (ORD) within the University Human Resources unit establishes job groups and report parameters, and reports summary statistics. ORD sponsors university-wide diversity programs described in this plan and maintains systems for data collection (including self-identification) and job postings. In the 2021-2022 academic year, ORD conducted two briefings for College Presidents on preparing and interpreting affirmative action plans.

IMPACT OF COVID-RELATED EVENTS

On March 15, 2020, CUNY Chancellor Felix Matos-Rodriguez announced that CUNY campuses and non-essential personnel were transitioning to remote learning and work for the remainder of the academic year. CUNY began returning to on-site operations in summer 2021, and currently operates in a hybrid on-site/remote model. As a result of shifting priorities, we cancelled or postponed some hiring plans and accelerated others given unanticipated employee turnover. We have limited or cancelled some events we could not conduct remotely.

Certain practices have continued unchanged. The Chief Diversity Officer has continued work on all major functions including:

- Complaint intake and investigation

- Accommodations for individuals with disabilities
- Recruitment advertising and outreach
- Oversight of hiring, advancement and separation practices
- Consulting to management.

PART TWO: DATA AND ANALYSIS

We analyze workforce data as mandated to promote a complete assessment, covering:

- Workforce Analysis (Evaluating employment within organizational units/departments)
- Analysis of job groups and academic disciplines
- Comparisons with labor market availability measures (utilization analysis)
- Reviews of Personnel Actions, Recruitment and Hiring, and Compensation.

We rely on methodologies provided by the US Department of Labor’s Office of Contract Compliance Programs (OFCCP), in particular, the *Educational Institutions Technical Assistance Guide (2019)*.

DATA SOURCES

This section describes how CUNY prepares data for this report.

Employee Data

On July 11, 2022 we extracted data on full-time employees active as of June 1, 2022 from CUNY’s system of record, CUNYfirst. We include individuals on most paid leaves, including medical leave and fellowship/sabbatical leave. We do not include individuals on terminal leaves such as retirement leave, student workers (including Graduate Assistants) or individuals employed separately by CUNY’s Research Foundation.

We invite employees to self-identify gender, race/ethnicity, veteran status, and disability status. Employees may update selections at any time on an Employee Self-Service portal. The university last conducted a system-wide self-identification canvas in 2018.

We also invite job applicants to self-identify on the job application portal and in the employee self-service module of our system of record.

Self-Identification Categories

We use the following categories to evaluate representation by race/ethnicity for the federal affirmative action plan:

- Total Minorities (all groups other than White, reported as a single category)
- Asian (consolidates Asian, Hawaiian, and Other Pacific Islander)

- Black/African American
- Hispanic/Latino
- White (not a protected group).

American Indian/Alaska Native and Two or More Races are included under Total Minorities but not separately reported.

If a person identifies as both Hispanic/Latino and some another group, they are recorded as Hispanic/Latino, and not as Two or More Races.

Consistent with long-standing agreements, we ask employees to self-identify Italian American status, and create a separate Italian American affirmative action plan. We also invite employees to optionally provide data on their ancestries from a list of approximately sixty categories. Consistent with recent New York State legislation, we are in the process of implementing collection of disaggregated data on Asian ancestry.

To retain overall comparisons to individuals in federal categories and to prevent double counting, Italian Americans are not included in Total Minorities in either plan. If individuals indicate both Italian American and federally protected ethnicity categories, we default to the federally protected category, to prevent double counting.

We use federally mandated gender categories of male and female for purposes of this plan. We provide candidates and employees six categories of gender identification. At this time, for purposes of this plan, only individuals specifically identifying as “female” are included in the federally protected gender category.

Of 2,464 employees, 1 employee did not identify a gender and zero (0) employees did not identify a valid race/ethnicity category. Anyone who did not specify a gender and/or ethnicity is included in the Workforce Analysis but not assigned to a protected group. 974 employees did not identify a veteran status and 2,103 did not identify a disability status. Disability and veteran status are priorities for future self-identification campaigns.

Labor Market Source Data

We compare the employee population with the Labor Market from which CUNY would reasonably recruit, train, or promote, by job group. We last updated Labor Market estimates in May 2019.

For internal candidates, we utilized lists of CUNY-wide appointments over the 2017-2018 and 2018 - 2019 periods for weighting and lists of feeder jobs, using the demographics of the candidate groups as of the June 1, 2018 employee census.

For external candidates, we utilized the US Census American Community Survey (ACS), 5-year estimate, 2013-2017 (final), extracted from University of Minnesota’s Integrated Public User Microdata Sample (IPUMS).

For faculty discipline-based estimates, we utilized the US Department of Education’s National Center for Education Statistics’ Integrated Post-Secondary Education Data System (IPEDS) completion data, 2015-2016 (final). We use the Classification of Instructional Programs (CIP) to identify disciplines.

WORKFORCE ANALYSIS

Workforce Analysis is a review of the representation of females and minorities by division, department and title, evaluating diversity by organizational unit rather than job group. We review the data organized by job title in order of rank or salary grade. We also review professorial faculty by tenure status within department. Due to length, Workforce Analysis charts are not included here.

JOB GROUPS, DISCIPLINES, AND MARKET DATA

Job Groups

We analyze data according to groups of jobs with similar duties and qualifications. CUNY establishes job groups and reviews them annually, as detailed in **Appendix C**. A major input is the federal Standard Occupational Classification (SOC) system. We also combine job groups into categories based on the federal EEO-1 categories for some summary reports.

The next two pages provide a summary of staffing by job group, followed by a summary of professorial faculty by rank and tenure status.

Academic Disciplines

CUNY assigns most faculty departments to disciplines as per the US Department of Education's Classification of Instructional Programs (CIP).

CUNY analyzes data about College Laboratory Technicians by assigning departments to either a Scientific/Engineering/Technical category or a General (non-scientific) category.

Appendix D lists these assignments. This past year, there were no material changes to the discipline assignments.

Labor Market Availability

Labor Market Availability is an estimate used to benchmark utilization of protected groups, by job group. It represents the proportion of each protected group available for employment in the labor market from which CUNY recruits (both internally and externally). CUNY last updated Labor Market Availability estimates in May 2019. **Appendix C** and **Appendix D** provide the basis for each calculation and details the factors we use. They cover the weighting of internal and external labor markets, geography, occupational qualifications, degree requirements, and academic discipline assignments.

UTILIZATION ANALYSIS

We compare CUNY's workforce with estimated Labor Market Availability by job group. We evaluate utilization for females, major federal ethnicity categories (Asian, Black/African American, and Hispanic/Latino and Total Minorities).

We evaluate job groups with a minimum of five incumbents, with the caveat that analyzing groups of less than 30 employees may generate less reliable results.

The President's position reports outside of our establishment and is not included.

We report underutilization where the percent of individuals belonging to a protected group is less than 80% below the labor market estimate, and the difference is equal to at least one full-time equivalent employee.

Appendix E details utilization/underutilization in each category (job group and/or academic discipline). We consider job groups and disciplines for which there is underutilization as priorities for placement goals and enhanced outreach when there are hiring opportunities.

Year-to-year variations in underutilization arise from a combination of changes in availability, hires, advancements, and separations. It is usually not possible to pinpoint a single, direct cause. In job groups with small numbers of employees, results may change substantially with small staffing changes.

The following pages summarize staffing and underutilization for each job group.

LaGuardia CC

This is a summary of underutilization, of protected groups by Job Group and Discipline. Only those combinations of Job Group and Discipline with five or more incumbents are reported.

This summary compares the following, each calculated against the Labor Market Availability estimates in place at that time.

- 2019: Underutilization in the 2019 - 2020 Plan (i.e., based on employee census as of 6/1/2019)
- 2020: Underutilization in the 2020 - 2021 Plan (i.e., based on employee census as of 6/1/2020)
- 2021: Underutilization in the 2021 - 2022 Plan (i.e., based on employee census as of 6/1/2021)
- 2022: Underutilization in the 2022 - 2023 Plan (i.e., this plan)

When underutilization does not change year-to-year, the most common reason is that there has not been an opportunity to hire or promote into that particular group.

LaGuardia CC

This is a summary of underutilization of protected groups by Job Group, organized by EEO Category. Only those Job Groups with five or more staff are reported.

This summary compares three measurements, each calculated using the Labor Market Availability estimates in place at that time.

2019: Underutilization in the 2019 - 2020 Plan (i.e., based on employee census as of 6/1/2019)

2020: Underutilization in the 2020 - 2021 Plan (i.e., based on employee census as of 6/1/2020)

2021: Underutilization in the 2021 - 2022 Plan (i.e., based on employee census as of 6/1/2021)

2022: Underutilization in the 2022 - 2023 Plan (this plan).

When underutilization does not change year-to-year, the most common reason is that there has not been an opportunity to hire or promote into that particular group.

We consider job groups and disciplines for which there is underutilization as priorities for placement goals and enhanced outreach when there are hiring opportunities.

The areas identified as having underutilization of females and other protected class members may have this disparity based on NYC's return to work policies and the ongoing COVID-19 epidemic. Even though the disparity does exist in our workforce it is not wide spread or systemic.

We compare female and total minority utilization with the estimated labor market by job group. We also evaluate utilization for the major federal ethnicity categories (Asian, Black/African American, and Hispanic/Latino).

LAGCC continues to seek diversity on its Search Committees which remains a critical element in successful hiring and with the addition of the Chief Diversity Officer and the Office of Compliance and Diversity staff guiding the Planning, screening and the interview process overseeing the upcoming opportunities for placement will yield a more diverse workforce.

OTHER ANALYSES

Personnel Activity

We review personnel actions for adverse impact. This means that we compare rates of hiring, promotion and termination of employees by gender and ethnicity and note material differences. We review activity for all job groups and report the results here for those groups with a material number of actions and/or applicants. **Appendix F** summarizes job actions, including tenure, by Gender and Ethnicity.

To estimate net changes by job group, we compare employee title changes between two reference dates (June 1, 2021 and June 1, 2022). We use this method to accommodate timing and issues in interpreting system data. This method produces a reasonable estimate but may leave out some actions, such as an employee changing job groups more than once over the year. We note hires, moves to a higher or lower job group, moves within a job group, and separations

Similar to procedures in financial accounting, employees who leave one job group to take a position in another are reported as separated from one group and joining another. We consider transfers between CUNY units as a separation from one campus and a hire in the other.

Federal guidelines state adverse selection may occur when any one group (protected or not) has a selection rate less than 80% of the selection rate of the most-selected group.

Tenure is a permanent status granted to professorial faculty and College Laboratory Technicians. Lecturers are eligible for a similar status, Certificate of Continuous Employment (CCE). Lecturers and College Laboratory Technicians are eligible after meeting service requirements. For professorial faculty, there are extensive reviews resulting in tenure recommendations to the President. We may hire some senior faculty with tenured status.

Appendix F provides details of faculty receiving tenure/CCE status effective during the past plan year, covering those awarded tenure, hired with tenure (includes faculty rehired after long-term leaves), and denied tenure.

Appendix F also provides details of exceptions approved through a Search Waiver process. In these cases, it would be highly unlikely we could fill the positions competitively (for example, due to the unique qualifications of the individuals hired). We also grant waivers for positions representing a transfer of funding sources. The Chief Diversity Officer and University management approve search waiver applications.

Recruiting Activity

CUNY is committed to equitable practices to recruit a diverse and highly qualified workforce. The Chief Diversity Officer reviews applicant data and recruiting outcomes to determine if there is a need to adjust recruiting and outreach plans.

Prior to posting a job vacancy, the Chief Diversity Officer reviews the physical and mental qualifications and the posting language in general. They also review recruiting plans for intended outreach. We post open positions and Civil Services Notices of Exam on our careers page (for faculty, 30-60 days and for staff, 14-30 days).

We invite candidates to self-identify gender, race/ethnicity, disability status, and veteran status and inform them that self-identification is voluntary.

We conduct most faculty and administrative hiring by appointing a diverse Search Committee for initial screening. The Chief Diversity Officer provides an orientation, or “charge”, to committee members on effective selection practices, including practices aimed at reducing potential for bias. The Chief Diversity Officer reviews applicant pools for sufficient representation and certifies pools prior to committee review, and reviews selections again as searches near completion. Committees refer finalist candidates to the hiring manager(s) for a final selection.

Appendix G summarizes recruiting and selection by job group for searches concluded with a job offer between June 1, 2021 and May 31, 2022.

As per federal Internet Applicant guidelines, an “applicant” is someone who applies to a specific opening, has the minimum qualifications, is considered, and does not withdraw. We analyze applicant pools and selection rates for interviews, offers, and hires.

We report all searches resulting in an offer during the previous plan year. For some searches, notably faculty, there is a time gap between offer and start dates. To avoid a lag in reporting, we include searches based on date of accepted job offer, even if the employee has not started work before June 1. This circumstance explains differences between the personal activity reports and recruitment reports.

Civil Service Hiring

We participated in three (3) university-wide hiring pools for Classified Civil Service vacancies. Applicants who are pre-qualified based on an examination score indicate their interest in working at one or more units, and each establishment interviews and hires according to Civil Service regulations. We report those applicants expressing an interest in our unit at the hiring pools. CUNY’s Office of Human Resources Management administers and validates Civil Service examinations and maintains records of applicants and exam results.

List pools in which you participated and number of hires:

CSA Hiring Pool on 7/19/2021: Hired Two CSA’s

CPO Hiring Pool 2/23/2022: Hired one CPO

COA Hiring Pool 3/16/2022: Hired two COA’s

Compensation

We develop pay plans according to instructions provided in bargaining unit contracts, Civil Service regulations, Prevailing Wage determinations, and university policies. Plans include the Executive Compensation Plan (ECP), Faculty and Non-Teaching Instructional Staff Pay Plan, Classified Civil Service Plans for Managerial and Non-Managerial Personnel, and Prevailing Wage schedules for Skilled Trades. CUNY's Trustees review and approve all pay plans.

The Chief Diversity Officer reviews overall practices such as:

- Setting of Starting Salaries
- Performance-Based Pay
- Pay Increases Upon Promotion
- Tracking of Compensation Decisions
- Document Retention
- Assignment of Overtime/Additional Assignments.

The Chief Diversity Officer and Human Resources Director discussed compensation best practices and areas of risk with management on an ongoing basis.

ONGOING ACTIVITIES

CUNY's University Human Resources office lists job vacancies with State Workforce Agencies and veterans' centers and maintains consolidated advertising programs, including job boards serving veterans, individuals with disabilities, women, and protected minorities. The office maintains accounts for university-wide job posting and outreach, including the Higher Education Recruitment Consortium. It also provides training to Chief Diversity Officers and campus Human Resources personnel.

CUNY utilizes an on-line training program for faculty and staff on sexual harassment prevention and workplace violence prevention; we regularly review training records and follow-up with individuals

who have not participated.

INTERNAL AUDIT AND REPORTING

The Chief Diversity Officer posts and distributes notices of policies, new/revised regulations, and similar compliance information, and makes this plan available for public inspection. The CDO integrates compliance information into faculty, student and staff training programs.

The Chief Diversity Officer's responsibilities for audits and reviews include:

- Monitoring personnel actions, including new hires, transfers, promotions, and terminations
- Monitoring employee self-identification programs
- Reviewing recruiting outreach and advertising
- Monitoring complaints/incident reports which may indicate underlying trends
- Reviewing personnel practices and the affirmative action programs with management
- Advising management of program effectiveness and providing recommendations for improvement.

The Chief Diversity Officer works with Human Resources staff to assure employment records, including records in CUNY's HR Information System, are complete, accurate, and up-to-date.

PART FOUR: INDIVIDUALS WITH DISABILITIES AND PROTECTED VETERANS

- Equal Opportunity and Non-Discrimination Policy
- Review of Personnel Processes
- Review of Physical and Mental Qualifications
- Reasonable Accommodations
- Harassment Prevention Procedures
- External Policy Dissemination
- Outreach and Positive Recruiting
- Internal Policy Dissemination
- Implementation Responsibility
- Training
- Audit and Reporting System
- Benchmark Comparisons.

EQUAL OPPORTUNITY AND NON-DISCRIMINATION POLICY

The City University of New York (“University” or “CUNY”), located in a historically diverse municipality, is committed to a policy of equal employment and equal access in its educational programs and activities. Diversity, inclusion, and an environment free from discrimination are central to the mission of The University.

It is the policy of The University—applicable to all colleges and units— to recruit, employ, retain, promote, and provide benefits to employees (including paid and unpaid interns) and to admit and provide services for students without regard to race, color, creed, national origin, ethnicity, ancestry, religion, age, sex (including pregnancy, childbirth and related conditions), sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information, alienage, citizenship, military or veteran status, status as a victim of domestic violence/stalking/sex offenses, unemployment status, or any other legally prohibited basis in accordance with federal, state and city laws.

It is also The University’s policy to provide reasonable accommodations to applicants, employees and other persons on the basis of disability, religious practices, pregnancy or childbirth-related medical conditions, or status as victims of domestic violence/stalking/sex offenses.

This Policy also prohibits retaliation for reporting or opposing discrimination, or cooperating with an investigation of a discrimination complaint.

The City University of New York is committed to a policy of equal employment and equal access in its educational programs and other activities. Diversity, inclusion, and an environment free from discrimination are central to CUNY's mission. CUNY posts its policies on non-discrimination, sexual misconduct, and affirmative action on its website. We have posted these policies on the internet.

REVIEW OF PERSONNEL PROCESSES

We seek to ensure personnel processes support equal employment opportunity for employees and applicants who are individuals with disabilities and/or protected veterans. We periodically review practices for potential barriers to employment, training, and promotion.

Personnel practices do not stereotype individuals with disabilities or protected veterans or otherwise limit access to employment. We include individuals with disabilities and veterans in media such as college publications and websites.

We invite employees to self-identify through an online self-service system. We invite applicants to self-identify through CUNY's online applicant tracking system.

CUNY maintains appropriate security measures for confidentiality of personal data.

We last conducted a self-identification campaign in 2018.

REVIEW OF PHYSICAL AND MENTAL QUALIFICATIONS

We ensure physical and mental qualifications are job-related and consistent with business necessity and safety. We periodically review physical and mental qualifications as they relate to employment, training, and promotion.

We review position requirements before listing a job vacancy. We review any new job qualifications or conditions to ensure they would not screen out qualified individuals with disabilities or protected veterans.

CUNY's Civil Service unit reviews job requirements prior to issuing new or revised Civil Service job descriptions. The university also provides a checklist for planning a recruiting effort with a sign-off on job requirements.

REASONABLE ACCOMMODATIONS

We provide reasonable accommodations to individuals with disabilities (including disabled veterans). According to our Policy on Implementing Reasonable Accommodation and Academic Adjustments, CUNY Human Resources Directors are responsible for responding to accommodation requests by applicants, employees, contractors, visitors, and others.

The contact for accommodation requests is:

Name: Marta A. Clark
Title: Executive Director of Human Resources
Phone: 718-482-5075
Email: marclark@lagcc.cuny.edu

We have posted the Procedures for Implementing Reasonable Accommodation and Academic Adjustments online at:

<https://www.cuny.edu/about/administration/offices/legal-affairs/policies-resources/>

Information for applicants for employment is provided on the Employment Page of the CUNY Website and <https://www.laguardia.edu/employment/>. There is also a link at the bottom of each job posting on <https://cuny.jobs>, which directs the candidate to our accessibility page. Applicants may also contact the Office of Recruitment and Diversity at jobs@cuny.edu.

We provide reasonable accommodations to individuals based on: disability; pregnancy, childbirth, or medical condition related to pregnancy or childbirth; religious practice; and status as a victim of domestic violence, sex offense or stalking.

While recognizing requests may be resolved through dialogue, this year we documented zero (0) employee accommodation requests, successfully concluded zero (0) times and appealed zero (0) times. At this time there are no outstanding appeals. We responded to zero (0) job applicant accommodation requests, provided zero (0) times.

We also upgraded campus facilities to improve access in:

Casa de los Americas (resource center)
Shenker Hall
Adjunct Faculty Room,
Public Safety Main Office suite

The following areas, among others, were designed and renovated to comply with ADA standards.

HARASSMENT PREVENTION

CUNY has developed anti-harassment policies and procedures concerning individuals with disabilities and protected veterans. The 504/ADA Coordinator reviews personnel practices to ensure access and non-discrimination for individuals with disabilities. The Chief Diversity Officer reviews practices for veterans.

EXTERNAL POLICY DISSEMINATION

Each job vacancy announcement includes a summary of CUNY’s policy.

As noted above, CUNY posts its Non-Discrimination Policy on its employment website.

CUNY's Office of Labor Relations provides an annual notice of our policies to labor unions. Our establishment (or the university, as appropriate) sends written notice of the affirmative action policies to subcontractors, vendors, and suppliers, requesting compliance.

OUTREACH AND POSITIVE RECRUITING

Summary of Prior-Year Outreach

This past year, we made the following outreach efforts to veterans and individuals with disabilities:

Program / Effort	Impact/Discussion
Evaluation of recruitment resources available to LaGuardia Community College.	Ensure that LaGuardia Community College is using relevant and effective recruitment resources to reach qualified disabled and Veteran job applicants

The College was without a full-time CDO until late September 2022, which prevented us from maximizing recruitment efforts.

Planned Outreach for 2022-2023

We plan to pursue the following next year:

Program / Effort	Goals/Expected Impact
Evaluation of recruitment resources available to LaGuardia Community College	Ensure that LaGuardia Community College is using relevant and effective recruitment resources to reach qualified disabled and Veteran job applicants

Ongoing efforts include:

- Disseminating information concerning employment opportunities to outlets reaching protected veterans (including disabled veterans) and individuals with disabilities
- Advertising job openings with a variety of external resources, including required reporting to the New York State Labor Department and related agencies
- Filing the annual federal VETS-4212 report
- Assisting veterans with a passing score on a competitive Civil Service examination to apply for additional points based on veteran or disabled veteran status as per NY State statute
- Assisting qualified individuals with disabilities with appointment to classified competitive Civil Service titles without an examination (55(a) Program).

INTERNAL POLICY DISSEMINATION

To foster positive support for affirmative action programs for protected veterans and individuals with disabilities, we have:

- Included policies in manuals and other publications
- Explained policies and individual responsibilities to senior management and supervisors
- Conducted training for employees involved in recruitment, selection, and promotion decision-making
- Discussed policies in employee orientation and management training programs
- Included information on the accomplishments of veterans (including disabled veterans) and

other individuals with disabilities in unit communications

- Posted CUNY Procedures for Implementing Reasonable Accommodation and Academic Adjustments on bulletin boards, along with the CUNY Policy on Non-Discrimination (which also covers protection from harassment on the basis of disability)
- Featured persons who are individuals with disabilities in handbooks or similar publications
- Policy information pertaining to individuals with disabilities and Veterans is posted to the college website

IMPLEMENTATION RESPONSIBILITY

As part of its efforts to ensure equal employment opportunity to veterans (including disabled veterans) and other individuals with disabilities, we have designated specific responsibilities.

The President

The President, Kenneth Adams, oversees affirmative action and compliance programs. The President appoints a 504/ADA Coordinator to oversee compliance and provides support and resources for affirmative action and compliance. The 504/ADA Coordinator and the Chief Diversity Officer report issues uncovered in interview reviews to the President who oversees appropriate responses.

504/ADA Coordinator

As 504/ADA Coordinator, Craig Greene:

- Chairs 504/ADA Committee
- Monitors 504/ADA compliance
- Reviews and resolve issues such as disputed accommodation decisions
- Maintains records of accommodation requests and outcomes
- Ensures records are stored securely and confidentiality is maintained
- Provides training as needed on issues related to individuals with disabilities.

504/ADA Committee

The 504/ADA Committee advises the 504/ADA Coordinator. It includes representatives from various departments, and programs, including programs for veterans and individuals with disabilities. Currently, there is no standing committee in place.

Other Officials

Other college officials support the implementation of affirmative action in areas which include accommodations and accessibility improvements.

University Management

CUNY's Office of Recruitment and Diversity manages systems that capture self-identification data and provides data support to the campuses. The Office also administers CUNY's 55(a) program to

provide opportunities in Civil Service positions to individuals with disabilities.

TRAINING

We provide orientation on relevant regulations and policies, including affirmative action programs, to individuals involved with recruitment, selection, promotion, disciplinary actions, and similar personnel activities.

Employees involved with the recruitment, selection, promotion, disciplinary actions, training, and related processes of Individuals with Disabilities or Veterans are acquainted with LaGuardia Community College's Affirmative Action Program. CUNY's Office of Recruitment and Diversity and the Office of Professional Development and Learning Management provide training opportunities to help employees maximize their personal and workplace effectiveness, including Diversity Training courses.

AUDIT AND REPORTING SYSTEM

The Chief Diversity Officer audits the effectiveness of outreach and affirmative action programs in general and monitors recruitment practices and discrimination claims related to status as a veteran or individual with a disability.

The 504/ADA Coordinator oversees audit and reporting in support of individuals with disabilities. He/she identifies and addresses barriers to access and evaluates remedial actions.

Both individuals report findings to the President and/or designee.

BENCHMARK COMPARISONS

Staffing

Appendix H provides counts individuals with disabilities by job group. The US Department of Labor suggests a benchmark of 7.0% for each job group. There is no requirement to calculate underutilization or set placement goals.

There is no federal benchmark for veteran utilization.

Hiring Rates

The Exhibit on the following page illustrates hiring rates for veterans and individuals with disabilities as compared with previous plan years, presented as prescribed by the US Department of Labor.

In March 2022, the federal government set the benchmark Hiring Rate for veterans at 5.5%, representing the prevalence of veterans in the United States workforce. There is no federal hiring rate benchmark for individuals with disabilities.

DARE TO DO MORE

To: Campus Community
From: Kenneth Adams, President
Date: November 7, 2022-2023
Re: Reaffirmation of Diversity/Equal Opportunity/Affirmative Action

The City University of New York and LaGuardia Community College are dedicated to maintaining an inclusive work and learning environment, and I write to strongly reaffirm LaGuardia's commitment, and my own commitment, to the principles of affirmative action, equal opportunity, and diversity.

It is the policy of The City University of New York and LaGuardia Community College to recruit, employ, retain, promote, and provide benefits to employees and to admit and provide services for students without discriminating on the basis of actual or perceived race, color, creed, national origin, ethnicity, ancestry, religion, age, sex, sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information, alienage, citizenship, military or veteran status, pregnancy, status as a victim of domestic violence/stalking/sex offenses, unemployment status, credit history, caregiver or familial status, prior record of arrest or conviction, or any other legally prohibited basis in accordance with federal, state and city laws.

Sexual harassment, including sexual violence, domestic/intimate partner violence, and gender based harassment, forms of sex discrimination, are also prohibited by the City University of New York and LaGuardia Community College.

I invite you to visit the CUNY website to view the [Policy](#) in its entirety as well as the policies on [Reasonable Accommodations and Academic Adjustments](#) and [Reporting of Alleged Misconduct](#).

The City University of New York, as a public university system, adheres to federal, state, and city laws and regulations regarding non-discrimination and affirmative action including among others Section 1324b of the Immigration and Nationality Act (INA), Executive Order 11246, as amended, Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, as amended, Section 402 of the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended, the Equal Pay Act of 1963, the Age Discrimination in Employment Act of 1967, as amended and the Age Discrimination Act of 1975, the New York State Human Rights Law and the New York City Human Rights Law. The "protected classes," as delineated in Executive Order 11246: (i.e. Black, Hispanic, Asian/Pacific Islander, American Indian/Alaskan Native and Women), were expanded on December 9, 1976 by the Chancellor of The City University of New York to include Italian-Americans. The U.S. Office of Management and Budget further expanded these protected classes in 2006 to include two or more races (not Hispanic or Latino) and replaced Asian/Pacific Islander, with Asian (not Hispanic or Latino) and Native Hawaiian (not Hispanic or Latino), Black was renamed as Black or African American (not Hispanic or Latino) and Hispanic was renamed Hispanic or Latino.

DARE TO DO MORE

CUNY's executives and administrators are responsible for maintaining a work environment free from discrimination and harassment, and for promoting diversity and inclusion in their units. Craig M. Greene is the responsible official charged with implementing affirmative action regulations. I encourage all vice presidents, deans, directors, managers and supervisors who share in the responsibility for ensuring our compliance with these policies and laws to contact him to discuss diversity and inclusion strategies that would advance unit goals. Additionally, any individual who believes they have experienced employment discrimination should immediately contact Craig Greene at 718-482-5088 or email cgreene@lagcc.cuny.edu.

I ask for your continued support to ensure equal opportunity, affirmative action, diversity and inclusion in all our employment practices

Thank you,

Kenneth Adams, President LaGuardia Community College

Appendix C Job Group Summary

This Appendix contains a summary of affirmative action job groups.

This report lists those CUNY job groups for which the college has employees, with Labor Market Availability (LMA) factors.

LMA Factor 1 estimates the external labor market.

LMA Factor 2 is a measurement of employees who could be recruited or promoted into the group based on historical data for CUNY.

Groups with fewer than five employees are listed but will not be included in Utilization Analysis worksheets. Individuals in the Chief Executive role are not included.

This report lists both full-time and part-time appointments. The following business rules apply to part-time appointments for this report: if an employee has an active full-time appointment in the same department, part time appointments in the department are omitted. If an employee has multiple part-time appointments in the same department and in the same title, that appointment is counted only once. Other multiple part-time appointments are reported. The number of appointments will be larger than the number of employees.

New CUNY job titles are listed at the end of this Appendix. Not all titles were utilized by the College.

Further details on Job Groups and Labor Market Availability are provided in the Narrative.

LaGuardia CC

This Appendix describes the job group assignments for titles held by employees in the unit, with Labor Market availability details. Labor Market Availability is an estimate used to benchmark utilization by job group. It represents the proportion of each protected group available for employment in the labor market from which CUNY recruits, internally and externally. CUNY last updated this estimate in 2019.

Weighting of Internal/External Labor Market

The internal labor market is university-wide and currently reflects the full-time employee population. We produced a weighted estimate based on the previous two years of job moves of CUNY employees. We also identified typical feeder jobs and other conditions impacting qualifications, such as permanency status.

Geography

We based geographic factors on both CUNY policy and actual hiring experience:

- National labor market for Administration 1 (Executive), Faculty–Professorial, and Faculty–Instructor.
- Two-state region (New York and New Jersey) for Faculty-Lecturer. IPEDS completion data is only available by State and recruiting is regional rather than national.
- New York State-only labor market where New York State residency is required by statute:
 - College Security Assistant, Campus Peace Officer, Campus Public Safety Sergeant, Security Manager.
- New York/New Jersey Metropolitan Statistical Area (MSA) for remaining job groups. A review of hires in 2018-2019 indicated 98.6% of new hires in these groups reside within this MSA. This area represents a large and highly diverse population.

Factors for Staff and Non-Collegiate Faculty:

- Occupational Group: Standard Occupational Classifications assigned to every job title, matched to Census Occupational Codes.
- Degree Requirements: the minimum requirement for the lowest-ranked job in each job group. These range from none through Master’s level.
- Experience: where there is a requirement for a specific number of years of experience, we used age as a proxy, as per US Census standards; for example, a Bachelor’s degree assumes a standard age of 21, and a Bachelor’s degree plus four years of experience would correspond to a minimum age of 25.

Factors for Collegiate Faculty: we assign titles to Professorial, Instructor, or Lecturer job groups according to rank and calculate availability based on a combination of degree requirement and academic discipline.

- Degree Requirements:
 - Professorial: Doctoral Degree
 - Instructor: Master’s Degree
 - Lecturer: Bachelor’s or Master’s Degree.
- Discipline: assigned to each faculty department using the US Department of Education’s Classification of Instructional Programs (CIP). On an exception basis, we calculated a blended labor market availability and/or made individual discipline assignments.

Appendix D College Lab Technicians Department-Discipline Assignments

This Appendix summarizes the mapping of College Laboratory Technicians to disciplines.

Categories assigned to College Laboratory Technicians (Administration 4 Group) are based on the academic department to which they are assigned. There are two possible categories: "Science, Technology and Engineering" and "All Other".

Groups of less than five employees total are listed but will not be included in Utilization Analysis worksheets.

This report lists both full-time and part-time appointments. The following business rules apply to part-time appointments: if an employee has an active full-time appointment in the same department, any part-time appointments in that department are bypassed. If an employee has multiple part-time appointments in the same department and in the same title, that appointment is counted only once. Other multiple part-time appointments are reported, including appointments in multiple titles in the same department. The number of appointments will be larger than the number of employees.

Appendix D Faculty Department-Discipline Assignments

This Appendix summarizes the mapping of faculty departments to academic disciplines.

This Appendix lists faculty (academic) departments and the disciplines to which they are assigned for utilization reporting. Only departments with assigned faculty are listed here.

Disciplines listing fewer than five faculty in a job group are listed but are not included in the Utilization Worksheets.

Labor Market Availability estimates are based on degree completion data provided by the National Center for Education Statistics. Exceptions, including blended rates, are noted.

This report lists both full-time and part-time appointments. The following business rules apply to part-time appointments: if an employee has an active full-time appointment in the same department, any part-time appointments in that department are bypassed. If an employee has multiple part-time appointments in the same department and in the same title, that appointment is counted only once. Appendix E Utilization Analysis -Staff Job Groups

This Appendix provides a utilization analysis for each staff job group that has five or more employees.

Underutilization occurs where the utilization of a protected group is less than 80% of Labor Market Availability. We calculate a number approximating the number of full-time employees that would be needed to make utilization equal to the labor market. Where utilization is zero (0), underutilization exists but not to the level of one full-time equivalent employee. Blanks indicate no underutilization.

Underutilization numbers for females and total minorities represent placement goals.

Total Minority is comprised of Asian/Hawaiian/Other Pacific Islander, Black/African American, Hispanic/Latino, American Indian/Alaska Native and Two or More Races.

This exhibit covers full-time employees only.

Underutilization occurs where the utilization of a protected group is less than 80% of Labor Market Availability. We calculate a number approximating the number of full-time employees that would be needed to make utilization equal to the labor market. Where utilization is zero (0), underutilization exists but not to the level of one full-time equivalent employee. Blanks indicate no underutilization.

Underutilization numbers for females and total minorities represent specific placement goals as prescribed for federal Affirmative Action Plans. Note that the official underutilization measures are those calculated for the academic discipline, which may comprise more than one department.

Total Minority is comprised of Asian/Hawaiian/Other Pacific Islander, Black/African American, Hispanic/Latino, American Indian/Alaska Native and Two or More Races.

This report covers full-time faculty groups only.
