

Transfer Articulation Agreement
between
STATE UNIVERSITY OF NEW YORK
COLLEGE OF AGRICULTURE AND TECHNOLOGY AT COBLESKILL
and
IORELLO H. LAGUARDIA COMMUNITY COLLEGE

March 2023

This agreement establishes procedures to promote the easy transition of qualified Environmental Science – Animal Sciences Associate of Science (A.S.) degree graduates from Fiorello H. LaGuardia Community College (LaGuardia CC) to the Animal Science Bachelor of Science (B.S.) degree program at the State University of New York College of Agriculture and Technology at Cobleskill (SUNY Cobleskill).

Objectives of the Agreement

1. To provide a transfer path to qualified LaGuardia CC graduates who want to enhance their education and careers by pursuing a bachelor's degree.
2. To assist academic advisors with pertinent academic information for students who wish to continue their education in an upper-division program.
3. To attract qualified students to LaGuardia CC and SUNY Cobleskill.
4. To facilitate communication and academic coordination between faculty and administrators at each institution regarding curriculum and the transferability of the courses.

Terms of the Agreement

1. Students from LaGuardia CC, who complete the A.S. degree in Environmental Science – Animal Sciences and the courses outlined in the addendum, with a minimum 2.25 cumulative grade point average, will be guaranteed admission to the Animal Science B.S. degree program at SUNY Cobleskill.
2. Transfer students must complete and file the SUNY Admissions Application indicating transfer to SUNY Cobleskill prior to November 1 for spring semester entry, and prior to May 15 for fall semester entry.
3. Students who do not meet the requirements of this agreement will also be considered for admission. They will be evaluated on an individual basis.

Review and Revision of the Agreement

This agreement will be reviewed when substantial changes are made in the curriculum on either campus. At the request of either party, a review of the Transfer Articulation Agreement will be conducted by both institutions.

Termination

This agreement shall remain in force from March 2023 until such time as either institution elects to terminate it. Termination by either institution will be announced with sufficient anticipation to assure any LaGuardia CC students enrolled the opportunity to be admitted to SUNY Cobleskill under its terms.

Effective Date and Signatures

This agreement will become effective March 2023, upon acceptance of Agreement, with appropriate signatures on attached signature page.

	Flex Core U.S. Experience in its Diversity	3	<i>Equivalent course</i>	EL – <i>Equivalent course</i>	3
	Flex Core World Cultures & Global Issues: Discipline: Modern Languages Course	3*	<i>Equivalent course</i>	EL – (GE FL) Foreign Language	3
	Unrestricted	2	<i>Equivalent course</i>	EL – <i>Equivalent course</i>	2

The credits from the courses above, in the Environmental Sciences – Animal Science AS program, will transfer to the Animal Science - BS degree in the following categories:

Major Field Requirements	3
Liberal Arts & Sciences Requirements	41
Technical Electives	8
General Electives	9
TOTAL CREDITS TRANSFERRED	60

*SUNY General Education Requirements (GE) are satisfied.

LAGUARDIA COMMUNITY COLLEGE
ENVIRONMENTAL SCIENCE – ANIMAL SCIENCES -AS
TO
STATE UNIVERSITY OF NEW YORK AT COBLESKILL
ANIMAL SCIENCE - BS

61 credits will transfer to the 124-credit requirement in the Animal Science BS.

63 credits of the following coursework will need to be satisfied:

Major Field Requirements - 19 credits including:

ANSC 111/X	Introduction to Animal Science & Lab	3
ANSC 122/X	Feeds & Feeding & Lab	4
ANSC 300	Scientific Research Inquiry	2
ANSC 352/X	Animal Health & Lab	3
ANSC 400	Farm Animal Reproduction	4
ANSC 404	Applied Animal Anatomy & Physiology	3

Technical Electives – 19 credits with the following prefixes:

AGBU, AGED, AGRN, AGSC, ANSC, BIOL, CHEM, ENVR, ORHT, PHYS	4
Upper-level (300-499) AGBU, AGED, ANSC, BIOL, CHEM, ENVR, ORHT	15

Liberal Arts & Sciences - 24 credits including:

CHEM 231/X	Organic Chemistry I w/Lab	5
ENGL 300-499	Upper-level English	3
Or COMM 301 Technical Communications		
PHYS 111/X	College Physics I w/Lab	4
Or PHYS 211/X Calculus Physics I w/Lab		
Upper-level (300-499) Liberal Arts & Sciences		12

General Electives – including:

PHED Physical Education	1
