Explanation of Terms

Withdrawal Drop – A “WD” grade is assigned to students who drop a course after the Financial Aid Certification Day in Session I until the last day to drop a course for 25% Tuition Refund. A “WD” grade indicates that the student attended a class at least once before dropping it. A “WD” grade does not appear on the transcript and is not calculated into the GPA.

Withdraw – Students may withdraw from classes after the last day to drop for a 25% tuition refund through the last day to Withdraw; and receive a “W” grade that is not calculated into the GPA. Students who officially withdraw from a course are NOT eligible for a tuition refund.

Evening Classes begin at 4:35pm. To learn if the College is closed due to severe weather register for CUNYAlert at <http://www.cuny.edu/alert>

Return to Title IV Funds (R2T4) - R2T4 refers to the calculation required when a recipient of Title IV aid withdraws from an institution during a payment period/period of enrollment in which the recipient began attendance. The calculation compares the amount of Title IV aid the recipient earned to the amount disbursed and determines whether funds must be returned, or the student is eligible for a post-withdrawal disbursement.
